## **8. Compatible ROMPA® Products**

ROMPA® offer a range of practical, rehabilitation, healthcare and sensory resources for people who have a range of needs. Please look at [www.rompa.com](http://www.rompa.com) for our full range.

## **9. Starting Up**

- Choose an appropriate and safe location for the activity

## **10. Detailed Description**

Useful for imaginative play. Each block has its own colour and mood e.g. 'Happy' to uplift and 'Sleepy' to encourage restfulness. Scents include citrus, lavender, eucalyptus and tea tree. Made with grapeseed oil and pure organic essential oils. Contains wheat. Does not contain peanut oil, nuts or milk by-products. For tactile exploration using the hands, this is not intended to be ingested and is not suitable for those who mouth. Smooth, silky and responsive to light pressure or heavy kneading for proprioceptive input. For 3 years and over.

## **11. Safety**

### **Always supervise the use of this product**

- This product may smell temptingly tasty but it should not be eaten, placed in the mouth or nose!
- This product has been independently tested and is safe to use with children.
- Not for internal use.
- Avoid contact with the eyes and mucous membranes.
- Essential oils should not be used during pregnancy, especially during the first sixteen weeks of pregnancy. Thereafter, consult a practitioner who will tell you which oils are safe in your case. Aroma Play Dough™ uses only a small percentage of essential oil but if you have any concerns about its suitability, seek professional medical advice.
- Always wash your hands thoroughly after use.
- Store the oils in a cool place away from children and pets.
- Do not expose to excessive heat or sunlight for extended periods.
- If suffering from hay fever or asthma, consult your doctor before using oils. It is recommended, although not essential, that this product be used by someone who has attended an aromatherapy course and has sufficient knowledge for its safe application.
- A Material Safety Data Sheet is available upon request - no hazards have been identified.

#### First Aid Measures:

- In the unlikely event of inhalation, rinse the nose and mouth with water as required. Seek medical attention if any discomfort continues.
- In the unlikely event of ingestion, rinse the mouth and drink plenty of water. Seek medical attention if any discomfort continues.

- In the unlikely event of inhalation, rinse the nose and mouth with water as required. Seek medical attention if any discomfort continues.
- In the unlikely event of contact with the eyes, remove contact lenses if worn. Immediately wash the eyes with plenty of water while lifting the eyelids. Continue to rinse for at least 15 minutes. Seek medical attention if any discomfort continues.

## **12. Technical Specification**

Components:	Grapeseed oil and organic essential oil, wheat flour, water, refined gum, salt, pH regulators, preservatives, pigments Non-toxic and latex-free
Weight:	approximately 500g
Tub size:	12cm diameter x 10cmH
Other:	Not combustible nor harmful to the environment Partially soluble in water

## **13. Installation**

*Not applicable*

## **14. Care and Maintenance**

Always re-wrap the dough in the plastic provided and store in the tub provided. Keep the lid tightly closed. This will help prevent the dough from drying out and so help lengthen its life. It will also help keep the scents and colours separate.

Store in a cool, dry place. Do not freeze.

Use on a protective sheet or paper to protect table tops and surfaces.

Once eventually exhausted, dispose of as controlled waste.

## **15. Troubleshooting**

*Not applicable*
