

Product: The Central Auditory Processing Kit

Product Code: 51238

CD Installation Instructions:

A password can be located in the back of Book 1, near the CD envelope that is necessary to open the CD. This password needs to be used every time the materials are used. The password is specific to the product.

MAC:

1. Insert the CD into the drive, double click on the Linguisystems icon on the desktop.
2. When the Finder window opens, change the view to List view. It is the button with

horizontal lines:

3. Now you will see a Folder icon named PDF.
4. Open that folder and you will see the PDF file. Double click on that and it should open in Adobe Reader.

Windows:

1. Locate Adobe Reader in your programs file, and click to open.
2. When Adobe Reader opens, look for the menu in the upper left hand corner. Select File then Open.
3. From the Open Window, locate the Linguisystems disk in your CD/DVD drive and click to open.
4. Open the folder titled PDF.
5. Select the book you wish to open.
6. Enter the 6 digit passcode for the CD.
