Certificate of conformity

Product: Locomotive

Our supplier has confirmed that the above named product adheres to the following specifications:

Woven fabrics made out of PAN, CO, PES, PA and their mixtures, dyed and/or printed with or without water-proof finishing partly produced from materials certified according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, product class II have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to the skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

Our supplier has issued a conformity declaration according to ISO 17050-1 and is under an obligation to use the Oeko-Tex® mark only in conjunction with products that confirm with the sample initially tested. The conformity is verified by audits.
