A vibrant collage of various sensory toys and activities. At the top left, there's a blue and white spiral pattern. Below it, colorful balloons in purple, red, yellow, and green are tied together. To the right, a large yellow ball with orange circles is next to a row of colorful stuffed animals: a giraffe, a blue elephant, a yellow hippo, a red monkey, a lion, and a zebra. Further right, there are small wooden boxes with colorful geometric shapes inside. In the center, a blue container of 'TheraGym Putty' is visible. Below the text, a wooden xylophone with colorful bars and mallets is shown. To the right of the xylophone, a large yellow and orange plastic ring is being held. At the bottom right, a group of children are playing with a large, colorful umbrella. The background is white, and the overall theme is sensory stimulation and play.
