# Welcome

... to your all NEW 2022 addition of our Rompa EXTRA catalogue. With over 30 years experience and thousands of happy customers we really do have something for everyone.

Our fabulous Rompa/Winslow catalogue consists of all of our new, exclusive and best selling product ranges. The EXTRA catalogue is home to, well to put it simply... our EXTRA products! These products you would ordinarily find on the website only, or they may be a limited product line.

So we thought we'd make it easier for you and put these not only online but in a catalogue too!

Please visit [www.rompa.com](http://www.rompa.com) for our VAT form, colour charts, returns, damaged products, missing items and delivery charges.

Prices shown are excluding VAT and are valid until 31st December 2022, subject to change without prior notice.

### Ark's Sensory Fidget Bookmark Neon 3 Pack

A cool tactile fidget for home, school, work, or anywhere in between! As a "bookmark," it discreetly fits in with the rest of your desk items without specifically standing out as a sensory tool. Run your fingertips across 4 different textured sections - small bumps, larger bumps, straight lines, and diagonal lines. The lines have a more mild feel while the bumps have a more pronounced feel for different levels of tactile input. As an added bonus: the bookmarks are soft and flexible - bend them, twist them, roll them, and fidget away. Each bookmark measures 6 inches long and .75" wide. Sold in a pack of 3. Colours may vary. Dishwasher-safe. Medical grade, FDA compliant, no lead, phthalates, PVC, BPA, or latex. Although technically safe to chew on, these are too thin and not meant for chewing.

R2X24234 Neon **£11.95**

R2X24235 Monochrome **£11.95**
