**Rompa® & Winslow®, Goyt Side Road,
Chesterfield, Derbyshire, England, S40 2PH**

Welcome

... to your all **NEW 2023** addition of our Rompa **EXTRA** catalogue.

With over 30 years experience and thousands of happy customers we really do have something for everyone.

Our fabulous Rompa/Winslow catalogue consists of all of our new, exclusive and best selling product ranges. The EXTRA catalogue is home to, well to put it simply... our EXTRA products!

Prices shown are excluding VAT and are valid until 31st December 2023, subject to change without prior notice.

Rompa® is on the NHS Supply Chain Network for Multi-Sensory.

Framework reference: 2020/S252-638069

Discounts are available for NHS and public sector customers

These products you would ordinarily find on the website only, or they may be a limited product line. So we thought we'd make it easier for you and put these not only online but in a catalogue too!

Please visit www.rompa.com for our VAT form, colour charts, returns, damaged products, missing items and delivery charges.

The NHS Supply Chain was designed to help the NHS deliver clinically assured, quality products at the best value, through a range of specialist buying functions.

Our experienced and helpful Customer Services team will gladly answer your queries and advise regarding product features and benefits. As you know the needs of those you are buying for better than anyone else, we are unable to make recommendations regarding which products are especially suitable for your client's requirements. We will provide as much help as we can to enable you to make those decisions.

You are very welcome to arrange a time to visit our showrooms to see and experience our products first hand.

Our websites provide additional information and downloads such as, further product photographs, details and instructions to help you make the right purchases for you and research papers and articles to learn more about multi-sensory approaches

You can visit our websites to purchase any of the products in this catalogue plus hundreds of online exclusives. Take advantage of our easy-to-use search facility to quickly find the products you require. Ordering is quick, easy and secure.

R3X19907 120L x 80W x 58cmH

£40.95

Ark's Sensory Fidget Bookmark Neon 3 Pack

A cool tactile fidget for home, school, work, or anywhere in between! As a "bookmark," it discreetly fits in with the rest of your desk items without specifically standing out as a sensory tool. Run your fingertips across 4 different textured sections - small bumps, larger bumps, straight lines, and diagonal lines. The lines have a more mild feel while the bumps have a more pronounced feel for different levels of tactile input. As an added bonus: the bookmarks are soft and flexible - bend them, twist them, roll them, and fidget away. Each bookmark measures 6 inches long and .75" wide. Sold in a pack of 3. Colours may vary. Dishwasher-safe. Medical grade, FDA compliant, no lead, phthalates, PVC, BPA, or latex. Although technically safe to chew on, these are too thin and not meant for chewing.

R3X24234 Neon **£13.95**

R3X24235 Monochrome **£13.95**

Wave Bangle

A great chew bangle for moderate chewers and nail-biters. One size – fits most children and adults as it will stretch. Size: 7.5cm external diameter, 6cm internal diameter; 0.8cm thick. Colour may vary.

R3X23293 **£16.95**

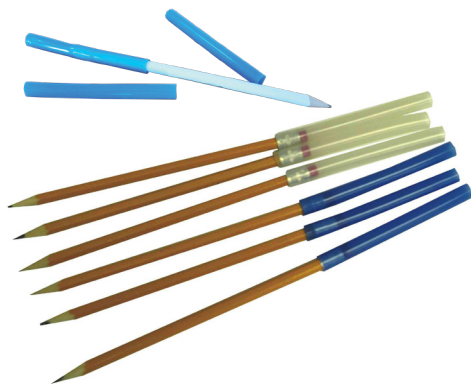

Ark's Ice Cream Chew Necklace

I scream, chew scream, we all scream for chewelry! ARK's Ice Cream Chew Necklace hits the sensory sweet spot with lots of texture to explore, including ribbed cross-hatching on the cone and fun sprinkle bumps on the cone. This Ice Cream shape is a great option for chewing with your front teeth (for more slender options that reach the back molars, click here).

Designed for anyone who needs to chew, use it as a safe alternative to chewing on pencils, shirts, fingers, etc. and to help calm, focus, and self-regulate. Each pendant measures about 2.3" tall, 1.3" at the widest part of the scoop, .4" thick on the cone, and .5" thick on the scoop.

R3X24232 Royal Blue - Extra Extra Tough **£16.95**

R3X24233 Lime Green - Extra Tough **£16.95**

Pencil Toppers – Set of 3

Perfect for classroom use. Made from 100% food grade silicon, these slip easily over the top of most pens and pencils. P Colours may vary. For 3 years and over. BPA-free, phthalate-free, lead-free and dishwasher safe.

R3X21146 10cmL **£16.95**

Please note prices are subject to change. Contact sales@rompa.com, 01246 211777 or www.rompa.com for our latest prices and availability.

R3X24289

£31.95

Flexitable Starter Pack

Flexitable numeracy charts are the most ingenious and simplest grids to use, with a tactile feel as children must manipulate the grids to find the correct answer. This also helps with hand/eye/brain co-ordination and is ideal for those with dyslexia or autism. Ideal for helping children with their homework, learning extra skills or for home schooling and offer an easy way to show, rather than tell, the basics of maths.

Includes: 1 Multiplication & Division grid, 1 Addition & Subtraction grid, 1 Fraction, Percentage & Decimal grid, 1 set of teaching notes.

R3X57298

£16.95

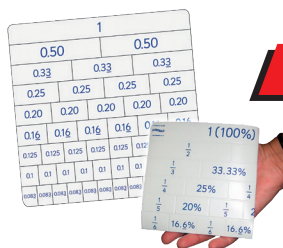

NEW

Flexitable Addition

Our addition and subtraction grids are hands-on, manipulative sheets for the classroom. Tactile and easy to read, the orange numbers that run across the top of the grid and down the left hand side act as the addends in addition. Simply manipulate the grid in order to find the answers in a way that is clear and easy to read. For subtraction, the grids work in the same way with the orange numbers as the subtrahends and differences. A helpful, manipulative tool for teaching children subtraction skills.

R3X57295

£16.95

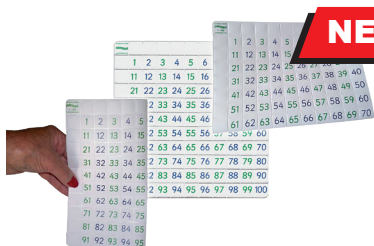

NEW

Flexitable Multiplication

Flexitable is a useful and tactile mathematical teaching resource for teaching multiplication and division. Red numbers run across the top of the grid and down the far left-hand side act as the multipliers and multiplicands in multiplication. These tables are also useful for division, as they work in the same way. For division, the red numbers can function as divisors and quotients. Flexitable is working to revolutionise learning of multiplication and division, through fun, easy methods!

R3X57294

£32.95

NEW

Flexitable Fraction Grid

These Flexitable grids are hands on and tactile, meaning children must manipulate the grid to help find the right answers and improve their numeracy skills. By folding the fraction grid down the vertical channels, children can discover that one quarter is the same as 25% and 0.25 etc and by folding the grids again and again they can find the equivalent fractions, percentages and decimals that make up 1.

R3X57296

£32.95

Flexitable 100 Number Square

Flexitable are tactile grids which offer hand eye co-ordination and mathematical support in an engaging way. The 100 number square grid is an essential resource which enables children to easily see odd and even numbers and is useful for learning basic math. Produced from the highest quality materials, these are designed to be long-lasting, durable, and easy to use.

R3X57297

£32.95

Hardingstone Academy, Northampton

"The entire design process was made easy due to the knowledge and expertise of the Rompa team; they provided sound advice and suggestions for the room's equipment and understood the needs of the children KS2 SEND base for students with ASD)."

"The finished room was installed to a high quality and even the training and hand over was of high quality, an all-round quality end to end process"

Upon viewing your room, you may decide on different colours or equipment you want to include. As part of any sensory room, sensory integration or soft play, we can accommodate any changes to your current design.

1. Contact Us

Call 01246 211777 or email installation@rompa.com with your requirements or brief and we will arrange help and a visit if required.

2. We'll Provide a Free Consultation

An experienced Sales Advisor will visit you at an agreed date and time to take measurements of the room and find out more about your needs.

3. We'll Provide a Free Design Service

Based on the meeting with our Sales Advisor we will create a bespoke design brief and we will contact you to discuss your requirements and arrange a visit if required.

4. We'll Quote

We will create an itemised quotation for your project so you can understand where your investment is being placed and make amendments if required.

5. We'll Listen

When you are happy with your design and quotation (changes can be made if needed) we agree on the project and you place an order with us.

6. We'll Carry Out a Site Survey, If Required

Our trained installation team will visit the dedicated room/area and carry out a site survey taking accurate measurements of the area so we can manufacture to the correct specification.

7. We'll Manufacture

Based on the site survey our manufacturing team will produce the items and equipment for your project. The lead time for this is typically 6 weeks. Need it quicker? Contact us to find out if we can produce it sooner.

8. We'll Install

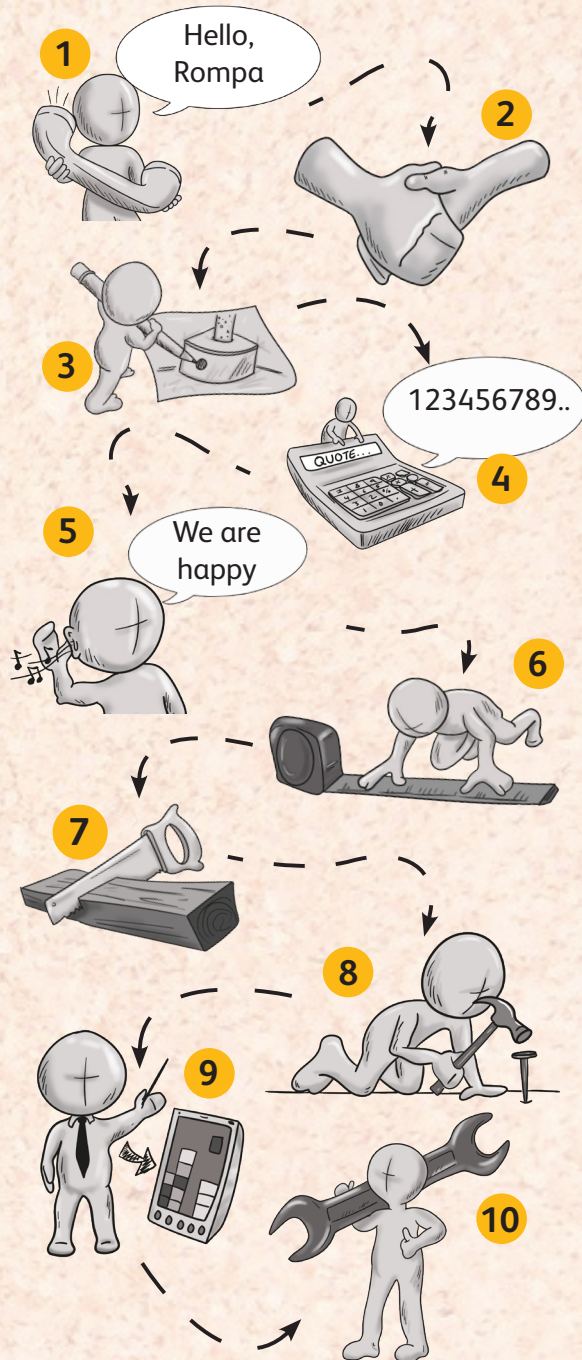

We agree a time and date convenient for you - our highly skilled installation team will visit and install your brand new environment.

9. We'll Train

Where possible we will train you immediately after installation. We want to leave you with an environment that you know how to use and maintain.

10. We'll Maintain

Maintenance packages are available we will discuss these options with you.

How to order

- Phone 01246 211777 – For customers wishing to pay by credit/debit card
- Website www.rompa.com
- Purchase order – For account holders
- Please read our terms and conditions of sale which are on our website

Pricing

- Prices are in GBP and are subject to change without prior notice
- Prices exclude VAT, handling a delivery charge. VAT will be added to all invoices where applicable unless a VAT relief form is received with the order. Please see our website for the latest prices
- Products which are Zero rated are indicated with a 'Z' by the price
- Products eligible for VAT Relief have '**VAT Relief**' by the price

Returns

- As a Consumer, as defined by the Consumer Rights Act 2015, you have the right to cancel and return items within 30 days of you receiving your order.
- Please note that some products are non-returnable and are marked with this icon in the catalogue.
- Please contact us for a return authorisation reference. Do not return a product without a return authorisation reference.
- If you are not a Consumer, Rompa® reserves the right to apply a 15% re-stocking fee.

VAT Relief

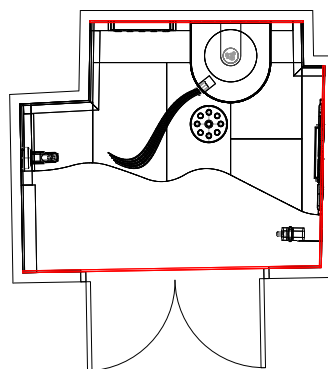

Relief from VAT is only available on certain products and is granted subject to the following conditions:

- The goods are being purchased by an eligible body, or charity for donation to an eligible body
- The goods are supplied or made available to persons with a disability
- We are bound by the laws of HM Customs and Excise and have a legal obligation to charge VAT on certain products
- A VAT Relief form is available on our website, along with more information regarding VAT Relief.

Delivery

- Rompa aims to despatch most orders within 48 hours of receipt. However certain products are made to order and may take up to 28 days
- There is a delivery charge applicable to all orders, please see our website for details.
- There is an additional £35 per item delivery charge for large and/or heavy items
- All deliveries are to the kerb side only. However an enhanced delivery is available on certain products, contact us for further details.
- Damaged products must be reported within 48 hours of receipt
- Missing items must be reported within 7 days from the date on your invoice
