

LARGE EXOTIC BIRD PUPPET 18401

Read these instructions thoroughly and keep them in a safe place. An additional copy may be downloaded from the ROMPA website should you lose your original.

CONTENTS

1 x Bird Puppet

No batteries are required to produce the sound – the sound is produced from a valve inside the puppet.

BEFORE USE

Remove all tags and labels before use.

SAFETY

1. For three years and over.
2. Always supervise the use of this product.
3. Because of the fur, this puppet is not suitable for those who mouth.

CLEANING

Surface washable only using warm water and a mild soap.

Do not immerse in water.

Allow the puppet to air dry thoroughly before re-use.

SPECIFICATION

This product conforms to all appropriate standards including EN71 and ASTM.
