

LADYBIRD COUNTING CARPET 19518

CONTENTS

Your carpet is supplied wrapped around a cardboard tube and covered in clear plastic wrap

BEFORE USE

Unwrap the carpet, removing all packaging

Keep all the packaging in a safe place if you wish to store the carpet should it be out of use for long periods

Lay flat on a flat, stable, dry floor

Please note: since the carpet is supplied rolled up, one of the short end may remain a little curled up till use flattens this down – take care with this

Make sure the carpet is flat, without obstacles underneath it. Make sure that the carpet does not represent a trip hazard

CARE & MAINTENANCE

Wash separately at 40°.

This carpet is large and unlikely to fit into a domestic washing machine.

Line or flat dry

For indoor use

Do not bleach. Do not iron. Do not dry clean

Do not wring so as not to deform the shape

If using a cleaning product, choose a mild product and test a small area first if necessary

SAFETY

Always supervise the use of this product

The backing is natural rubber latex and may cause a reaction in those allergic to it

SPECIFICATION

Pile content: 100% nylon

Non-slip backing: 100% latex compound

Made in Egypt
