9. Starting Up

- Take the Bobble out of the bag.
- Use on a flat, stable surface, away from obstacles and stairs.

10. Detailed Description

Indulges children's imaginations through play and learning while developing their motor skills. EVA foam animal furniture based on simple geometric forms. Allows the child to tumble, roll, balance, seesaw, rock, jump and gain bodily awareness, as a foundation for further motor development. With a soft, easy to clean surface. Light-weight with rounded edges that don't leave any marks on the floor. Colours may vary.

11. Safety

- Supervise the use of this product.
- For 3 years and over.

12. Technical Specification
