## **11. Safety**

### **Always supervise the use of this product.**

- This product contains small parts. This product is intended for people 3 years or over.
- Containers have small lids and therefore potentially pose a choking risk for vulnerable clients, so please ensure close supervision is maintained during use.
- Be careful when opening and shutting the box, ensure that the containers do not fall out of their niches.
- Avoid contact with the eyes and mucous membranes.
- Always wash hands thoroughly after use.
- Store the containers in a cool place away from children and pets.
- Appropriate risk assessments should be carried out before providing this product to the end user to minimize risk and ensure end users' safety.

*Note for Nut allergy sufferers:* The manufacturer has confirmed that there is "no food allergen in this product. Therefore, it will not cause any allergic reaction in people suffering from a nut intolerance. In certain rare cases, people suffering from this allergy may incorrectly associate the smell with the allergen and, psychologically, create their own reaction. It is advisable therefore to exercise caution when using this product with people who have food allergies.
