ABOUT THE PRODUCT

Product Description

The Rainbow Infinity Corner Cushion is a vibrant, multi-coloured soft play accessory shaped as a quarter circle. When strategically positioned between two corner mirrors, it creates the illusion of a complete patterned circle, adding a playful and visually engaging element to any soft play environment. Its cushioned design ensures safety and comfort for users while encouraging imaginative play and sensory exploration. This unique piece not only enhances the aesthetic appeal of the space but also promotes interactive experiences through its reflective properties.

User Benefits

- Stimulates visual senses: the vibrant, multi-coloured design engages users' visual senses, promoting curiosity and exploration.
- Provides relaxation: users can comfortably lie down or sit on the cushion, offering a cozy space for relaxation and unwinding during playtime.
- Bright colours: the cushion's lively colours enhance the overall play environment, making it inviting and appealing to users of all ages.
- Wipeable cover: the cushion features a wipeable cover for easy cleaning and maintenance, ensuring a hygienic play area that withstands everyday use.

Product Compatibility

The Rainbow Infinity Corner Cushion is designed to fit seamlessly between two corner mirrors, creating a captivating visual effect that enhances play and sensory experiences. This item would be compatible with any of our other softplay items.

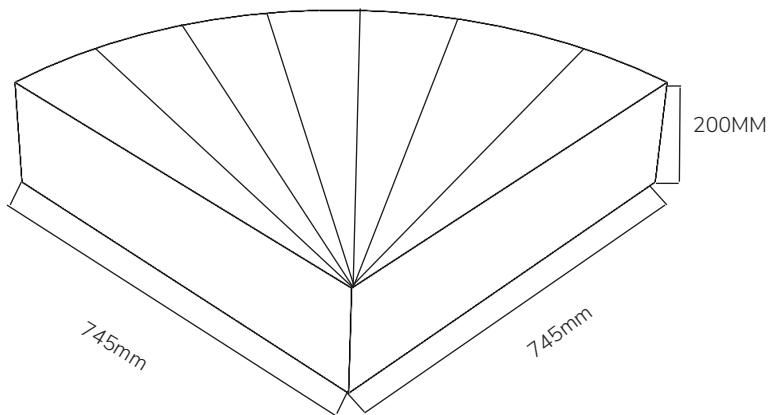

TECHNICAL SPECIFICATION

03.

Included Parts

The Rainbow Infinity Corner Cushion is crafted from high-quality foam, providing a soft and safe surface for users. It is covered with durable PVC material, ensuring that the cushion is both resilient and easy to clean, making it suitable for active play environments. This combination of materials enhances the cushion's comfort and longevity, allowing it to withstand regular use while maintaining its vibrant appearance.

SAFETY AND CARE

Product Safety and Care Instructions

In the event that the cover becomes soiled, it can be easily removed from the foam for washing using zip on bottom of infinity corner, ensuring a clean and hygienic play area. Regularly inspect the cushion for any signs of wear or damage, and clean the cover as needed to maintain its vibrant appearance and safety. Always supervise users during play to prevent any accidents or misuse.

PVC:

- Use a soft brush remove all loose dust/dirt. Clean with a mild detergent in luke-warm solution) applied to a sponge or damp cloth.
- This may be sanitised using a weak solution of Milton fluid.
- Do not use excessive amounts of water and always ensure the PVC is dry after cleaning.
- Do not use an abrasive cleaning pad.
- Do not use boiling/very hot water, washing up liquid / aggressive detergent or solvent based cleaner as this will cause the coating to discolour and go hard.
- Steam cleaning is not advised.

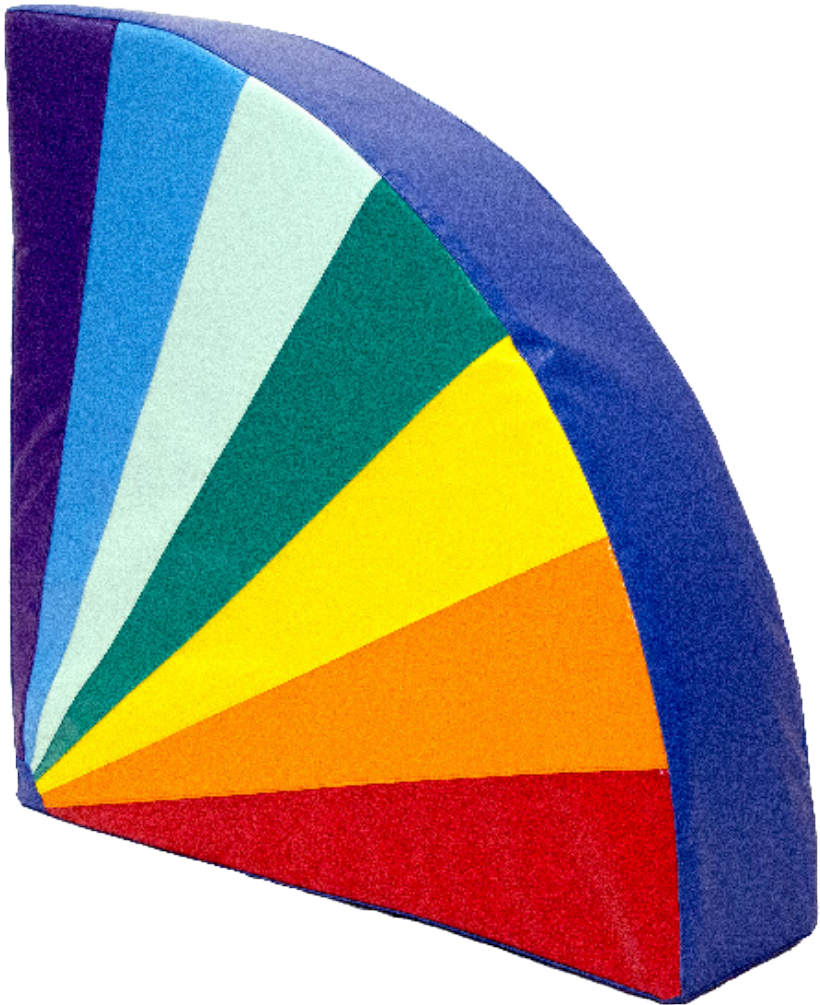

ASSEMBLY & INSTALLATION GUIDE

05.

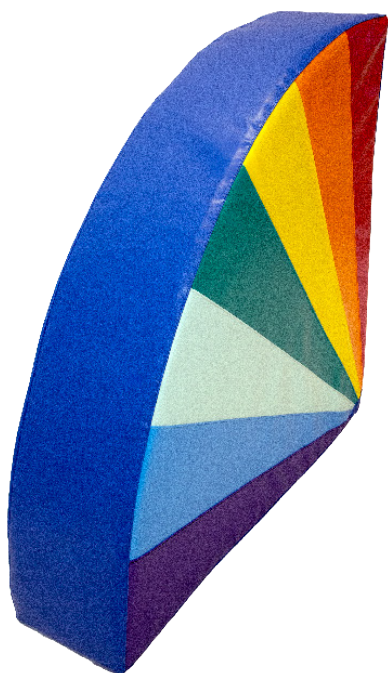

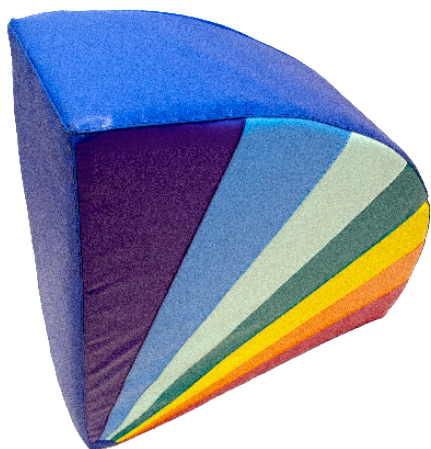

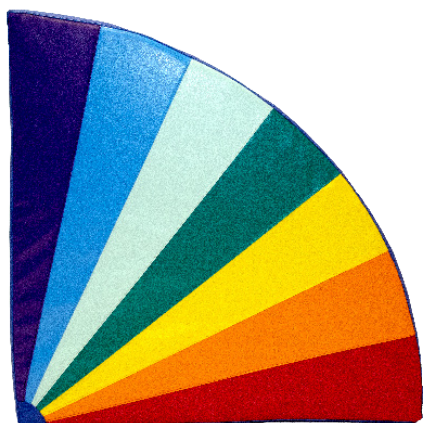

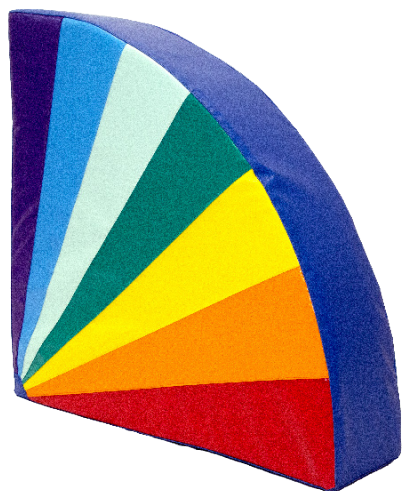

Product Assembly Guide/Installation

To set up the Rainbow Infinity Corner Cushion, begin by securely installing two mirrors on the walls at the corner of the room, ensuring they are properly aligned for optimal visual effect. Once the mirrors are in place, position the corner cushion snugly into the corner between the mirrors. This setup will create a captivating interactive space that enhances play and sensory experiences for users.
