

Sensory Room Designer Vacancy (Full Time)

Due to ongoing growth within our business, Rompa has an exciting opportunity for a highly skilled Sensory Room Designer to join our busy design team.

We believe this would be a great opportunity to develop and grow design skills and join our established team that can share their experience and knowledge.

We would ask to see a full portfolio showcasing Adobe and 3D drawing skills.

Primarily, the role is to liaise with our installation team when designing our Snoezelen® Multi-Sensory Environments, working to tight deadlines and specific budgets.

The role will have specific responsibility for:

- Using room site surveys to produce Art.lantis high-quality sensory room visuals and room animations. These visuals are then required to be put into an accurate specification for manufacturing, accompanied by DXF drawing files for our CNC machinery.
- Contribute creatively to the design, look and feel of the full suite of Rompa catalogues using Indesign, Agility, Illustrator and Photoshop. This is inclusive of but not limited to cover designs and page layouts.
- Contributing to designs and ideas for exciting new products to supplement and grow existing and new ranges; this is predominately Soft Play and Tactile products.
- For those with interest, opportunity to be part of the exhibition team promoting our multi-sensory environment and sensory products.
- Creation of illustrative unique artwork to support any Rompa marketing literature or products.
- Using the photographic studio to create new images of our current and upcoming product ranges, in addition to creating and editing video footage, as and when required.

It is important to us to make successful recruitment choices and we believe the ideal candidate should possess the following skills and attributes:

- 3D drawing software experience (such as VectorWorks or Art.lantis)
- Good knowledge of InDesign, Photoshop and Illustrator
- Experience in using photographic and lighting equipment; video and editing knowledge would be advantageous
- Excellent time management skills and ability to work to tight deadlines
- Enthusiastic and highly motivated
- Creative and forward-thinking
- Ability to work within a team

Rompa is an innovative business consistently producing the very best in new, state of the art products and sensory solutions. Home of the Snoezelen®, Winslow and Older Adults brands, we operate throughout the UK and offer a full installation and mail order service to a varied customer base.

We also have over 50 international partners in our portfolio making us a truly global company.

Our multi-sensory rooms offer wonderful therapeutic care for children and adults with differing levels of abilities. Our rooms nurture the body and are designed to promote sensory modulation and facilitate the learning and practice of stress management. Our specialist rooms are being used in hospitals, health centres, developmental disability units and many other settings all over the country to help improve people's quality of life.

Should you be interested in the above role, please apply to Lisa Wright (lisaw@rompa.com) with a covering letter, CV and current salary details.
