

Sewing Machinist

Vacancy (Full Time)

Would you like a job that can make a positive impact on people's lives?! Would you like a job where you get real job satisfaction?

If you answered yes, then we have the job you are looking for!

Rompa are the market leaders in sensory provision and we are looking to hire a full time **Sewing Machinist** to join our production team.

You will need to have extensive sewing machine experience working with heavy duty materials.

You will be enthusiastic, have excellent attention to detail and strive for high quality levels in all areas of work.

What will be required?

- Ensuring our goods are produced and sewn to the highest quality.
- Ensuring daily worksheets and quality sheets are completed accurately.
- Ensuring booking in / out of raw materials is completed to maintain accurate stock levels.
- Carrying out any maintenance, as and when required, to keep sewing machinery/tools in good working order.
- Ensuring materials are used in an efficient and costly manner.
- Keeping work station neat, tidy and safe.
- Ensuring efficiencies remain high by working to product lead times.

Do you have what it takes?

- Ability to work under pressure and to tight deadlines.
- Strong team player.
- Reliable and trustworthy.
- A 'can do' attitude positive attitude and willingness to be a part of a team

What do we offer?

- Full training on all sewing equipment.
- Competitive salary and benefits.
- An extremely rewarding and fulfilling job with great variety!

Rompa is an innovative business consistently producing the very best in new, state of the art products and sensory solutions.

Home of the Snoezelen®, Winslow and Older Adults brands, we operate throughout the UK and offer a full installation and mail order service to a varied customer base.

We also have over 50 international partners in our portfolio making us a truly global company.

Our multi-sensory rooms offer wonderful therapeutic care for children and adults with differing levels of abilities. Our rooms nurture the body and are designed to promote sensory modulation and facilitate the learning and practice of stress management.

Our specialist rooms are being used in hospitals, health centres, developmental disability units and many other settings all over the country to help improve people's quality of life.

Should you be interested in the above role, please apply to Lisa Wright (lisaw@rompa.com) with a covering letter, CV and current salary details.
