

Designer Full Time Vacancy

Would you like a job that can make a positive impact on people's lives?! Would you like a job where you get real job satisfaction?

If you answered yes, then we have the job you are looking for!

Rompa are the market leaders in sensory provision and due to ongoing growth within our business, we are looking to hire a full time **Sensory Room Designer** to join our busy design team. This role would also be a great opportunity for anyone who has an interest in marketing or wishing to develop in this area.

What will be required?

- Using room site surveys to produce Art.lantis high-quality sensory room visuals. These visuals are then required to be put into an accurate specification for manufacturing, accompanied by DXF drawing files for our CNC machinery.
- Contribute creatively to the design, look and feel of Rompa catalogues/brochures using Indesign, Agility, Illustrator and Photoshop. This is inclusive of but not limited to cover designs and page layouts.
- Create new images of our current and upcoming product ranges, in addition to creating and editing video footage, as and when required.
- Creating traditional and digital marketing material inline with the company brand.
- Contributing to designs and ideas for exciting new products to supplement and grow existing and new ranges; this is predominately soft play and tactile products.

Do you have what it takes and what experience is needed?

- 3D drawing software experience (such as VectorWorks or Art.lantis)
- Good knowledge of InDesign, Photoshop and Illustrator
- Experience in using photographic and lighting equipment; video and editing knowledge would be an advantage
- Excellent time management skills and ability to work to tight deadlines
- Enthusiastic and highly motivated
- Creative and forward-thinking

Should you be interested in the above role and would like to view a full job description, please apply to Lisa Dunks (lisad@rompa.com) with a covering letter and CV.
