

## **Production Operative Vacancy**

**Would you like a job that can make a positive impact on people's lives?! Would you like a job where you get real job satisfaction? If you answered yes, then we may have the job you are looking for!**

Rompa are the market leaders in sensory provision and we are looking to hire a full time **Production Operative** to join our expanding and very busy manufacturing team.

You will need to have extensive experience working within an assembly environment. You will be enthusiastic, have excellent attention to detail and strive for high quality levels in all areas of work.

### **What will be required?**

- Assembling soft play items and ensuring all wrapping and packing is carried out to a high standard.
- Using basic hand tools such as drills, glue guns and staple guns.
- Ensuring daily worksheets and quality sheets are completed accurately.
- Ensuring booking in / out of raw materials is completed to maintain accurate stock levels.
- Ensuring materials are used in an efficient and costly manner.

### **Do you have what it takes?**

- Ability to use basic hand tools – experience of assembling electronic products would be advantageous.
- Quality conscious and have a strong health and safety awareness.
- Ability to work under pressure and to tight deadlines.
- An enthusiastic positive 'can do' attitude and willingness to be a part of a team.

### **What do we offer?**

- Full training on manufacturing processes and quality assurance systems.
- Competitive salary and benefits.
- A great teamworking environment and an extremely rewarding and fulfilling job!

Should you be interested in the above role and would like to view a full job description, please apply to Lisa Wright (lisaw@rompa.com) with a covering letter and CV.
