

## 14925

The Controller of the Vibrating Floor has been designed and manufactured in accordance with:

Directive 2006/95/EC – Low Voltage Directive  
Directive 2004/108/EC – EMC Directive

The Controller is produced in a ISO9001 registered factory to ensure that it meets the required quality standards, and that it is built in conformance with the design.

The Amplifier of the Vibrating Floor has been manufactured in conformity with the requirements of the Council directives:

89/336/EEC and 73/23/EEC

The following standards were referred whilst designing this Amplifier:

EN50081-1, EN50082-1, EN6055-2, EN60065
