<p>(Remark: According to Directive 2009/48/EC the following safety requirements apply regarding cleaning and washing: A toy intended for use by children under 36 months must be designed and manufactured in such a way that it can be cleaned. A textile toy must, to this end, be washable, except if it contains a mechanism that may be damaged if soak washed. The toy must fulfill the safety requirements also after having been cleaned in accordance with this point and the manufacturer's instructions. The manufacturer should, if applicable, provide instructions on how the toy has to be cleaned.)</p> <p>* Observation Result: Washing/cleaning label was found on leaflet.</p>	

CE mark, importer / manufacturer mark (name, address), product identification	Pass
(Sub-content is extracted from the context of EN71 Part 1:2011)	
<p>(Remark: Toys made available on the market must bear the CE marking. The CE marking must be subject to the general principles set out in Article 30 of Regulation (EC) No 765/2008. The CE marking must be affixed visibly, legibly and indelibly to the toy, to an affixed label or to the <i>packaging</i>. In the case of small toys and toys consisting of small parts, the CE marking may alternatively be affixed to a label or an accompanying leaflet. Where, in the case of toys sold in counter displays, that is not technically possible, and on condition that the counter display was originally used as <i>packaging</i> for the toy, the CE marking may be affixed to the counter display. Where the CE marking is not visible from outside the <i>packaging</i>, if any, it shall as a minimum be affixed to the <i>packaging</i>. Where specific legislation does not impose specific dimensions, the CE marking must be at least 5 mm high.</p> <p>The manufacturer's name, registered trade name or registered trade mark and the address at which the manufacturer can be contacted must be indicated on the toy or, where that is not possible, on its <i>packaging</i> or in a document accompanying the toy. This requirement applies also to the name and address etc. of any importer.</p> <p>Manufacturers must ensure that their toys bear a type, batch, serial or model number or other element allowing their identification, or where the size or nature of the toy does not allow it, that the required information is provided on the <i>packaging</i> or in a document accompanying the toy.)</p> <p>Observation Result:</p> <p>CE marking was found on the packaging and the height is 8.7 mm</p> <p>Manufacturer name and address was found on the packaging</p>
