The designer and supplier to ROMPA of the **Wipe-Clean™ Waterproof Weighted Blanket** has supplied a statement dated October 2018 stating that:

The fabric is anti-microbial, waterproof, breathable, tear-resistant, flame-resistant (Class A barrier) and latex-free.

The PET weighting pellets are securely sewn into pouches, then inserted into the blankets and sewn into individual chambers. These PET pellets are 'food grade' plastic, inert and documented non-toxic material.
