Care of your products

We want you to be happy with your purchases from this catalogue. To help you to buy products that are suitable, appropriate and that meet the needs of your clients, we aim to include as much product information in this catalogue as possible. This includes safety age guidelines (e.g. 'For 3 years and over') and practical information such as dimensions (e.g. 'Small parts') and material information (e.g. fur with long fibres, glass). For further information, please visit our website and refer to the product descriptions there, along with the instructions for those products (where applicable).

All of our products are intended to be used appropriately, under the supervision of a responsible adult. Some products, such as those intended for Sensory Integration therapy, should be used by suitably trained professionals only.

Always install and use products safely, seeking advice from suitably qualified professionals as necessary.

Always supervise the use of all of our products.

Whilst we make every effort to provide products that are sturdy and appropriate, it is your responsibility to check their suitability for your clients, and to use them appropriately. For example, not all our products are suitable for those who mouth, or for those with challenging behaviours. Some products are intended for decorative purposes rather than for handling. Some are intended for indoor use only, and some will require specific on-going checks and maintenance.

Our products are selected for their robustness and durability. However, they will not withstand misuse or abuse. Please use our products with care, following the care and maintenance advice provided.

Multi Sensory Environments

In this room ...

- Interactive wall panels - see pages 28-33
- Bubble tubes - see pages 42-43
- Musical Waterbed - see page 87
- Bubble tube corner - see page 39
- Interactive Floor Projection - see pages 52-54

A wonderful multi-purpose space that can be used to calm or engage and delight its user!

Snoezelen® Multi-Sensory Environments are, by nature, relaxing spaces that help reduce agitation and anxiety. However they can also engage and delight the user, stimulate reactions and encourage communication.

Bespoke Snoezelen® Multi-Sensory Environments

Tailor made service to suit your individual requirements

• 1) Advisor Visit

The journey begins with a visit from a sales advisor to gain an understanding of your needs and what you are trying to achieve.

• 2) Planning/Design

From the information provided by the sales advisor the designer will begin to create your bespoke space.

Call or email us to start your project now!

FREE - room design

• 4) Reality

The journey ends with your fabulous new room! Our installers will provide comprehensive onsite training on products and show you how to get the best use out of your room.

Finally, our after sales support are always on hand to give you help and advice on your new installation.

Installed Room

FREE Design and Consultation Service! find out more:
www.rompa.com/room-designs

• 3) Visual

The plans are then enhanced and a visual is created. This enables you to experience the space as if you were stood in the room.

Once you are happy that the design is perfect the process continues through to installation.

Fabrics and Colours

PVC (Vinyl)

The most durable, and popular, of all our fabrics. Extremely hard-wearing, PVC is easy to clean, water-resistant and treated with fungicide. Latex- and phthalate-free, this strong fabric has a polymer coating on both sides, making it rigid and helping products to maintain their shape. Our PVC has a 'Cape' or subtly textured and fungicidal finish, and is available in a huge spectrum of colours and tones. This extensive choice lends itself well to two-tone finishes, such as purple with lilac, or sky blue and ice blue. We can also print a range of motifs onto PVC, including your own imagery for bespoke solutions.

NEW COLOUR

TURQUOISE

Ideal For:

- ✓ Wall & Floor Cushions
- ✓ Ballpools & Wedges
- ✓ Soft Play Products
- ✓ Water Beds & Furniture

Faux Suede

Arguably the softest of our fabrics, and is similar in texture to suede. More akin to fabrics used in domestic furniture, this supple fabric is water-resistant, extremely comfortable, stain-resistant and antibacterial. Available in subtler shades of colour than PVC and Polyester, this fabric may be more age-appropriate for older adults. Although durable, this fabric has a short pile and is less hard-wearing than PVC. As such, it should not be chosen for areas of heavy use such as step treads or floor cushioning.

Ideal For:

- ✓ Sensations E Chair
- ✓ Supa Squashy Sofa
- ✓ Positioner

ROMPA®

Fabrics and Colours

Fabrics used by ROMPA® have been selected for their high quality, reliability, durability and suitability for our marketplace. Our fabrics are complimented by the use of high quality fillings such as bead and foams of various densities to allow us to manufacture an extensive range of soft and pliable or firm and supportive products. All our fabrics (and the products made from these and our fillings) meet appropriate fire-retardancy standards, and we can manufacture to Crib 5 and Crib 7 requirements by special order.

Our attention to detail is second to none – from our high quality non-slip fabric to the colour-matched threads that are used to hand-finish our products, ROMPA® has earned its reputation for consistently excellent standards.

This applies to our standard products, as well as to any bespoke solution requested by our customers. The colours shown here are from our standard range but we will gladly accommodate special requests for further colour options.

POLYESTER

Slightly warmer to the touch than PVC, and more flexible. This makes Polyester best-suited to products which allow clients to sink into them and which mould to the user's shape.

Ideal For:

- ✓ Mini Floppy Islands
- ✓ Squashy Seating
- ✓ Sensory Cuddles
- ✓ Splodges

ROMPA® manufactures cushioning, furniture and soft play in a large range of fabrics and colours.

NEW

Fabrics and Colours

Ideal For:
✓ Chatsworth Furniture

Faux Leather

Available in striking modern colours, this subtly-textured fabric is as hard wearing as it is stylish. Vibrant yet tasteful, this strong fabric is a combination of PVC, Cotton, Polyester and PU. Fire-retardant (Crib 5), phthalate-free, anti-microbial and REACH compliant. The fabric itself is waterproof, although seams are not due to the nature of stitching.

Faux Leather Fabric can be found in the new Chatsworth Furniture range. Whole pieces of Chatsworth furniture can be made in up to two colours of Faux Leather, or one colour can be selected with one colour of Textured Fabric on the sides.

Ask us for a fabric swatch to help you make your fabric and colour choices.

Textured Fabric

Contemporary yet classy colours with a blend of texture and softness to suit every indoor environment. Beautiful, tactile and practical. Fire-retardant (Crib 5), stain-resistant, phthalate-free and REACH compliant. The fabric itself is waterproof, although seams are not due to the nature of stitching. All the colour options are anti-microbial.

Textured Fabric can be used in the new Chatsworth Furniture range. The sides of these products can be made in Textured Fabric, whilst the remainder (e.g. seat and cushions) is typically in Faux Leather.

For the full range of Chatsworth Furniture see pages 88-91

Snoezelen® and Rompa® - the Evolution

During the late 1970s pioneer therapists Jan Hulsegge and Ad Verheul experimented with a sensory tent at the DeHartenburg Institute. The term Snoezelen® was coined soon after, which is a contraction of the Dutch verbs “snuffelen” (to seek and explore) and “doezelen” (to relax).

It is now over 30 years since Rompa® brought the concept of Snoezelen® to the UK and have developed a range of products and created bespoke environments based on its principles.

As the popularity of Snoezelen® grew so did Rompa® quickly becoming the leading UK provider before developing key partners around the world. Rompa® also owns the trademark for the name Snoezelen® when applied to products. You know you are buying quality when you buy a Rompa® Snoezelen® product.

30 years on, as Snoezelen® continues to grow, the principles and benefits of Snoezelen® remain hugely significant to individuals with a range of needs all over the world. Snoezelen® continues to:

- provide meaningful multi-sensory spaces and activities
- reduce anxiety and offer calming solutions
- build self-esteem
- focus on the individual with a person-centred approach
- respect each person's choices, needs, pace and preferences

Back in 1980s Jan Hulsegge and Ad Verheul wrote of the carers' own experiences and emotions also being affected by Snoezelen, as well as that of the cared for individual. They documented how Snoezelen® could also be a meaningful occupation for other target groups including older people with Dementia and psychiatric patients, as well as for those without disabling conditions.

It is now widely accepted and anyone and everyone can benefit from Snoezelen®.

Snoezelen® Today

Not surprisingly over the last few decades, Snoezelen® has evolved enormously, as have the needs of the individuals benefitting from it. Snoezelen® has a rich history in health settings and schools for people of all ages and abilities. In recent years, as the awareness of conditions such as Autism and Mental Health problems grows, demand for Snoezelen® environments has grown. We have made Snoezelen® accessible in airports, football stadia, shopping centres and even a donkey sanctuary!

From the outset, the evolution and growth of Snoezelen® has been intrinsically linked to ROMPA®. We have a wealth of experience and expertise, and a strong desire to provide you with the best possible sensory solution.

- *Not all Multi-Sensory Environments (MSEs) are Snoezelen®.*
- *Not all MSEs are the same.*
- *Not all MSE users' needs are the same.*
- *Not all MSE providers are the same.*

We believe ours are the best – your continued loyalty suggests you, our customers agree!

“

“A flood of air bubbles, a series of colourful, glittering little balls ... the visual stimulus predominates and the tactile comes later ... the tactile sensation is especially valuable for blind visitors ... there is also auditory stimulus. The stream of bubbles makes a gurgling sound and there is the hum of the air pump.”

Snoezelen Another World book

”

“

“Absolutely STUNNING

We couldn't be more pleased. We have only had cheap tubes before this one and the difference is astounding. When we first turned it on we all took a gasp it was so beautiful. It's so bright and vibrant. The actual bubbles are huge. The gurgling and vibration are very soothing. It's extremely sturdy and well built and shouts high quality product. Fantastic product, highly recommended.”

Customer Reviews

...Don't just take our word for it. Here are just a few reviews from our satisfied customers.

ROMPA® Bubble Tube

- See page 42

"Absolutely STUNNING

We couldn't be more pleased. We have only had cheap tubes before this one and the difference is astounding. When we first turned it on we all took a gasp it was so beautiful. It's so bright and vibrant. The actual bubbles are huge. The gurgling and vibration are very soothing. It's extremely sturdy and well built and shouts high quality product. Fantastic product, highly recommended."

Alexandra, Verified Buyer

Corner Ballpool by ROMPA® - See page 113

"Fantastic Item for where space is an issue. We ordered this product back in 2006 for our daughter ... and it's still going strong! Really durable, tough vinyl ... and not a rip or tear in it 9 years on! I cannot praise highly enough how sturdy the walls are once fixed ... many a time 'perched' on by us when supervising daughter ... and no dents from our weight!! It's a fantastic design that can fix into any corner, utilising your existing walls for the rear 2 sides ... It was easy to fix with the wooden brackets attached, and has stayed put all these years with no problems at all! The inner floor mat is also tough ... made from heavy duty vinyl, which velcros on to the sides to fix. All in all, this ball pool scores highly with me 11/10 ... definitely a quality item that is well made and lasts many years, as mine has proven!"

Lisa, Verified Buyer

Basic Roller Board - See page 148

"My son loves this and so do we, he is much more calm after using the roller board!"

Liza M., Verified Buyer, Stirling

4R - See page 98

"Rest, Recovery and Re-Orientation Rooms can help by:

- Reducing the need to physically intervene
- Reducing the need for holding for long periods
- Reducing the need for staff involvement and numbers required
- Reducing potential injuries to the Young Person, others and staff
- Reducing inappropriate physical contact and possible allegations of staff abuse"

Tony Ryall, Trainer and Consultant

LED Projector for Water Environments

- Page 75

"The transformation of the bathroom is magical. The projected image covers a large wall and makes the bathroom a much more relaxing place. Being able to change the effect wheel when I want to means that it's very quick to change the image. Perfect!"

Kate, parent

Double Bubble Bonanza™

Combines two Snoezelen® favourites – bubble tubes and wall panels. Bubbles and colour can be individually controlled in each of the two chambers. Be amazed as the bubbles dissipate in one chamber only to burst into life in the other. The panel is packed with sound effects and music which makes for a truly exciting multi-sensory experience. The stunning effects stimulate, empower and engage. Perfect for co-operative play, turn-taking and follow-my-lead activities. Features include:

- With 42 unique effects
- With two bubble chambers – the bubbles and colour of each can be controlled independently
- Great for pair work and co-operative activity
- Can be used by one person to promote bilateral movement
- Encourages choice and control
- 3 modes of operation – interactive, creative and music
- With gentle vibration for tactile input
- Accessible and illuminated push buttons to control bubbles and colour
- Can be use with a microphone for a sound to light effect to encourage vocalisation

Size: 115H x 67W x 10cm

SENSORY MAGIC®

Immersive Environment Control at your Fingertips

- Control the Environment
- Customise Themes
- Set the Scene
- Empower Individuals

Exclusively developed by ROMPA®, the large Sensory Magic™ Touch Screen system allows easy control of your Snoezelen® environment and features software specifically tailored to each customer's needs.

- Accessible environmental control
- Inclusive - suitable for all ages
- Empowers users through interactivity, control and choice
- Operates Snoezelen® products such as bubble tubes, wall panels, projectors, lights and fibre optics – these can be switched on or off at one point
- Plays music (e.g. mp3/4, CD, wav, iPod and more)
- Plays various media (e.g. pictures, photos, movies, internet)
- Set timed mood lighting that is compatible with ROMPA® Wi Fi controllers
- Fully customisable, immersive themes and environments through imagery, sound, colours and aroma (e.g. underwater scapes)
- Assessment tool incorporated for outcome measures - monitor user progress
- 'Bolt on' more ROMPA® products at a later date - compatible with many ROMPA® products, including the ROMPA® Interactive Lighting System
- User friendly – easy to operate touch-screen with a simple, intuitive navigation system
- Client-friendly – choose from our extensive range of Wi Fi products (e.g. our Deluxe 8 Colour Wirefree Controller - see pages 28 to 49)
- Sleek, modern and robust
- Wireless for seamless and instantaneous control of individual products as well as whole rooms

This versatile system includes a touch screen, software, wireless keyboard and mouse, digital projector and stereo speakers. For safety, it can be locked when not in operation. By using Sensory Magic® with the wide range of compatible Multi-Sensory products made exclusively by ROMPA®, users can create unique immersive environments and experiences like never before; and control them. Both the fixed and portable systems require, but do not include, ROMPA® Wi Fi multi-sensory products and internet access for remote support - see www.rompa.com for compatible products.

Meeting all appropriate CE and FCC standards, this cleverly conceived package is compact and simplicity itself to use. Please contact us for further information.

Bespoke Solutions

We can incorporate our Wi Fi Controllers (such as the 8 Colour Controller and our Wi Fi Interactive Carpet Switch Set) into our ROMPA® cushioning. Contact us for more information.

Super Switch - Deluxe 8 Colour Wirefree Controller

The king of switches! Wireless and wonderful! Controls 8 colours!

New and improved model!

- With pre-recorded multi-lingual words and sounds (colours, numbers, fun sounds and a musical scale so you can play tunes)
- Wirelessly change the colours of products
- Timer facility to adjust the length of time a colour is activated
- Rechargeable – includes charger which doubles up as a plug if you forget to charge it
- Customisable - with a USB port so you can add your own sounds
- Sounds can be removed altogether to avoid sensory overload and to aid individuals who sensory avoid to grade up their tolerance
- With 9 large, raised buttons to interactively operate multiple products
- With 9 external 3.5mm jack sockets to add your own switches
- Can be used with Sensory Magic®, Midi and Maxi Bubble Tubes, Light Source, ROMPA® Wall Panels, Wi Fi Spotlight, Wi Fi Mood Lighting, Wi Fi Colour Controller and more
- Additional controls on the underside including LCD display with pre-programmed functions
- For all ages and abilities

Integral rechargeable battery included.

Size: 37cm diameter x 12cmH

“Clever piece of technology... We liked the fact it is wi fi ... We also like the fact it turns off bubbles too and you can use it like a mini piano. All in all a really clever little piece of kit!”
Dawne, Verified Buyer, Bridport

“Amazing product ... love it ... would recommend it to anyone who's looking to buy one.”
Perianne W., Verified Buyer, Southport

“Even better than expected. This controller is fab! I really like the fact it's 'oversized' ... my daughter absolutely loves being able to change the colours herself, but loves more the setting for funny noises ... it's great ... Very pleased with this item and definitely recommend it.”

Lisa R., Verified Buyer, Bicester

Wi Fi Interactive Mat Switch Set by ROMPA®

Nine tactile floor mats to allow control of ROMPA® bubble tube, light source (carpets and fibre optics), wall panel and Wi Fi lighting colours.

Walk on the green mat to turn your Snoezelen® Wi Fi product green ... step onto purple to turn it purple ... and so on! Each mat has its own texture – and colour, matching those of our 8 Colour Wirefree Controller. Black carpet turns the colour off. Large surface area is perfect for those without the finer motor skills to operate smaller switches and allows several users to play together and take turns. Mats can be placed on the floor or wall-mounted. Please contact us for ever-increasing list of compatible products. Requires a PP3 9V battery (to be purchased separately).

Size: each mat approx 40 x 32cm

R819939

£ 549.00

Wi Fi Override Transmitter

A discrete controller to allow carers, teachers and supervisors to override our other Wi Fi controllers. Designed for situations where a client has almost activated one of our Wi Fi controllers but has not exerted enough pressure on a switch button, or has missed the button. Intended to make sure a client receives a reward for their efforts, and so keep clients motivated and encouraged. Allows the carer to change and maintain the colour of Wi Fi products when they are with clients and so avoids the need to move, disturb or distract the client when they are focused on the activity. Includes the infra-red handset (with 1 CR2025 button cell battery included), controller interface and universal power supply. Requires a Wi Fi Controller (e.g. Deluxe 8 Colour Wirefree Controller) and Wi Fi responsive products such as bubble tubes, light sources etc.

Size: handset 8.5L x 5.1 x 0.7cm

R821918

£ 105.00

ROMPA® Wi Fi Microphone

Sound-responsive, wireless control of your Snoezelen® favourites. Change the intensity of a colour by making a sound into the microphone, or change its colour altogether. Great for encouraging vocalisation and for encouraging interactivity for those with physical disabilities who cannot access touch-responsive switches. Compatible with ROMPA® bubble tubes, light sources, wall panels and many more ROMPA® products. Rechargeable, a universal charger is included. The same size as a standard microphone, this could be used with a microphone stand (to be purchased separately). With integral sensitivity and mode indicators. Light weight (175g).

Size: 17.5L x 5.4cm diameter (2.4 to 3.6cm diameter at the handle)

R821917

£ 119.00

ROMPA® Wi Fi App Control Box

Control the colours of your Snoezelen® MSE using this Android tablet! Tap a colour on screen and watch your favourite ROMPA® Wi Fi sensory products change to the corresponding colour. Select one of eight colours at once. Individual ROMPA® Wi Fi controllers can be paired with individual products to allow different groups in a room to use products independently of each other. Simple and intuitive to use. Includes tablet, App and ROMPA® Wi Fi interface unit. Works on an Android platform only at present - iOS version coming soon.

Mini Talking Cube by ROMPA®

All the fabulous Wi Fi features of the Talking Cube - on a smaller scale! Talks, activates and allows your own recordings. No programming required - plug and play! Perfect for little hands. Compatible with an ever-growing number of ROMPA® products - wall panels, bubble tubes and light sources to name just a few! Includes cube with zippered cover, speaker and 9V battery.

Size: 15 x 15 x 15cm

R820402 VAT Relief **£ 239.00**

Talking Cube by ROMPA®

- A highly popular product in our Wi Fi range
- Can change Bubble Tube, Panel, Wi Fi LED Spotlight, Wi Fi Colour Wall Controller, Wi Fi Mood Lighting and Fibre Optic colours
- No PC or programming required
- Audible and visual!
- Easily personalised with your own recordings and images

This wireless talking soft play cube is multi-purpose and has endless educational applications. It enables the user to control the colours of the sensory environment - throw or drop the cube and change the room colours. Each of the 6 brightly coloured sides has a transparent pocket into which you can add your own pictures, symbols, words or photographs. You can easily customise each cube face with your own pre-recorded message, with your voice! To promote colour recognition, simply roll the cube and listen as the name of the uppermost colour is heard. Make the cube land on the colour blue and be rewarded with the sound "blue!" Throw a green and hear the word "green!" and so on. Ideal for developing the understanding of cause and effect, colour recognition, picture recognition, reminiscence, developing listening and motor skills, put dots in the pockets for use as a die ... the possibilities are endless!

Includes cube, speaker and 9V battery. This product has a zip for manufacturing purposes only.

Size: Approximately 30x30x30cm.

“Everybody is very pleased with the way the two areas look now. The staff were particularly impressed with the Colour Match Panel and the Talking Cube. They all feel now that they can use the rooms in a much more targeted way’

Nursery Manager, Surrey

“Amazing product. Would highly recommend it. Works really well ... you can record your own voice over each side.”

Perianne W., Verified Buyer, Southport

For Maxi Bubble Tubes.

R821005

£ 42.00

Bubble Tube Filling Pump

Enables your Maxi Bubble Tube to be filled from the base, rather than via the top of the tube. Includes pump, tubing and power cable to connect to the Maxi Bubble Tube’s power supply.

R820908

£ 45.00

To counteract the risk of bacterial growth in the bubble tube water the following procedures are suggested:

* Monthly changing of the water using an appropriate pump

* Monthly addition of BCB Fluid

This information is given without prejudice and in good faith and infers no liability on ROMPA®’s part

BCB Water Treatment Fluid

Add monthly to the water in your Bubble Tube to help prevent bacteria, smell and algae. Organic biocide that will not cloud or damage the acrylic tube. Simple and safe to use. A single bottle can treat a 1m tube for up to 2 years. Long shelf life – lasts up to 4 years. 500ml.

R820698

£ 25.00

Cushioned Seats by ROMPA®

Positioned next to the cushioned platforms and in front of wall cushions (neither included) to allow clients to comfortably enjoy the tactile experience of touching the bubble units. A cut out can also be made in the base to allow accessibility to fibre optic spray units whilst leaving the mechanical parts safely hidden. This product contains wood and has a zip for manufacturing purposes only. Vinyl. Please specify colour when ordering. Additional cushioning shown for illustration purposes.

Super Interactive Switch Box to make your Bubble Tube Interactive

Interact with Maxi and Midi Bubble Tubes and our Bubble Wall Panel using this large button circular Switch Box. Control the colours and the flow of bubbles by pressing the appropriate buttons. The controls on the underside of the Switch Box allow control over the speed of colour change as well as when the bubbles are activated. For further interactivity, this Switch Box can be used with ROMPA® switches, giving the user nine different display variations. Note: When used with a switch, the switch overrides the circular buttons. Latex-free.

Size: 37cm diameter x 12cmH

Custom-Made Cushioned Platforms

ROMPA® can manufacture Cushioned Platforms to suit your space exactly. You tell us the dimensions and shape it needs to be, how many bubble tubes it's for and if 'mouse holes' are required for fibre optics. We will gladly then prepare a quotation for you. We can of course also supply mirrors in almost any size to compliment your bespoke platform.

Cushioned Platform by ROMPA®

A foam padded wooden frame designed to encase the bases of up to three Bubble Tubes. Allows access to the base of the Bubble Tube for maintenance. When ordering, please state the number of bubble tubes to be accommodated and the position of platform. Customised options available - We can manufacture these in sizes and shapes to suit you at very reasonable prices. This product has a zip for manufacturing purposes only. Additional cushioning shown for illustration purposes.

Terri R., Verified Buyer

Acrylic Mirror Panels

Reflections add another dimension to the Snoezelen® environment. Enhance the visual effect of your Bubble Tube with mirror panels, creating the illusion of more Bubble Tubes! Much safer than glass, these acrylic mirror panels fix to the wall from the level of the top of the padded base using standard mirror fittings (not supplied). Each panel has a similar sized wooden board which is fixed to the wall first to ensure the mirror does not crack.

£ 145.00

Fibre Optics provide light you can touch, hold, capture and feel! Ideal for those with sensory avoidance and difficulty enjoying the normal range of lighting effects. Fibre optics stimulate and hold attention. They are safe to touch, phthalate-, glass- and latex-free. Fibre Optics from ROMPA® are three-strand and so are considerably more effective than cheaper single strand options. Our wonderful light sources complement these safe fibre optics perfectly - they are quiet, cool, very compact and also wirelessly interactive. Fibre optics are safe to handle but should never be mouthed.

ROMPA® INTERACTIVE LIGHTING SYSTEM

- Make a Sound

Move within the Beam...

See these effects in more detail on our ever-expanding website. Visit www.rompa.com to see these products in action!

Break the beam...

- Change a Sound

Music through movement! A whole new meaning to air-guitar and pretend drums!

Interact with beams of coloured light by passing a hand, foot or reflective bat through them

Trigger sounds at the wave of an arm ... Activate chords at the sweep of a bat ... Play interactive music games whilst setting off images, videos and graphics

- 'Indestructible' beams act as powerful visual reference points for participants
- Turn-key operation
- Fits within the Curriculum
- Recognizable rhymes, tunes and fun sound effects
- Audio-visual effects in real-time
- Pre-programmed yet easily updated
- Space-saving
- Safe, hygienic and effective – nothing to trip over or touch!
- Multiple beams can be installed together
- Helps understanding of cause and effect and stimulates hand-eye co-ordination, interaction as well as motor, musical and listening skills
- Compatible with Sensory Magic®

Includes:

- PC or Laptop
- Cool-running beams with long-life low voltage bulbs, all cables and accessories
- Control Box
- Software
- Reflective bats
- Reflective floor pads
- Manuals

For fixed installation – contact us about our Design and Installation services.

Optional extras for wall projection if required:

projector and whiteboard/screen

Features:

- Numeracy play
- Timer Control
- New musical features
- ... even more to inspire and empower participants to influence their own environment and get couch- and mouse-potatoes moving!

This range is extensive and evolving. Contact us for information about further options.

R820127	8 beam system	VAT Relief	£ 5,595.00
R820128	4 beam system	VAT Relief	£ 4,595.00

“A valuable resource for customers using our service at Goscote Centre. It provides multiple benefits where our customers can explore the sensory environment via the use of interactive beams. Uploading photographs personal to the individual using the system creates a unique experience which can be comforting, whilst enhancing learning and play. The sessions are tailored and personalised to meet individual need which is an objective we aim to achieve throughout our day to day service delivery. We use our system in many ways e.g. to develop interactive skills within small groups to encourage the users to take turns to activate the beams. For customers who benefit from visual stimulation seeing images that change as a result of their actions develops their understanding of cause and effect”.

Emma Partridge, Senior Reablement Officer, Day Opportunities & Employment Adult Social Care

“The system has been a very accessible and exciting for our pupils. It is very responsive to the smallest movement so even our more physical disabled pupils have been able to produce sound and contribute to a greater sound installation, for example, our iPad Orchestra. Pupils were very keen to give it a go and experiment with the sound effects”.

Ellen Croft, PMLD Curriculum Leader, Leicester

“Excellent for immediate engagement in a huge range of activities that can cover pretty much any area of the curriculum. For first-time musicians it can be used as an errorless method to explore an instrument or for those struggling to engage in maths, it can be subtly woven into numeracy-based activities... Easy to use which enables all the staff, regardless of their IT capabilities ... One of the greatest features is that it can be completely customised to suit the needs of a wide variety of learner profiles... Our learners have loved using the Optimusic system and are also realising the health benefits as ‘Chase the Beam’ has become enormously popular”.

Chris Buckley, Head of Education, School in Seaford

“We use our Opti-music in all our themes created within our Curriculum Sensory Space.

These have included themed sessions such as the circus where students had the opportunity to sit or lay in a sensory swing and move around with batons or stick on pads to break the beams making various circus themed noises whilst pretending to be Acrobats.

On the Farm - students had great fun taking turns to guess what animal would appear on the screen and what noise they could hear when breaking the beams.

In our Native Americans theme the students had the opportunity to make up tunes using the drum programme and each took turns breaking a beam matching colour symbols to colour beam to create a drum beat for a pretend Pow Wow.

The Opti-music has become a valuable piece of equipment in our Curriculum Sensory Space and has given our students the opportunities to develop both fine and gross motor skills, concentration skills, social skills and most importantly independence by being able to explore and create to their own level of abilities”.

Clare Coombs (HLTA), School, Bracknell

Other options are available, including projectors and mobile systems with 2 or 4 beams. Options also available for water environments. Contact us for more information.

The systems offered here by ROMPA® have been specifically developed for the special needs market. Created on the foundations of a sound understanding of disabilities, these are purposeful first and foremost, and not simply adaptations of audio visual products for able-bodied users. Ask us for a demonstration of the Mobile Interactive Floor and you'll be in no doubt why this is the best system available.

Ceiling-Mounted Interactive Wall Projection

Imagine looking into a mirror and seeing yourself playing drums, splatting critters or tapping stars to change their colour and to make sounds. A movement of the hand or a flick of a finger can trigger any number of audio-visual events around you. Truly immersive, responsive and rewarding. For individuals and groups. Fully customisable. ROMPA® can install this for you – please contact us for information.

Select a Liquid Mood Wheel to reflect an appropriate mood. Please choose Magnetic Mood Wheels for use with Magnetic Rotators, the ROMPA® Rainbow Wi Fi Projector and the Aura Projector. These wheels are ideal for relaxation.

Size: 15cm diameter

R822374	Red-Pink, Magnetic	VAT Relief	£ 49.95
R822375	Aqua-Green, Magnetic	VAT Relief	£ 49.95
R822376	Orange-Yellow	VAT Relief	£ 49.95
R822377	Blue-Purple	VAT Relief	£ 49.95

Liquid Wheel

The Liquid Wheel is a popular choice. Coloured fluids move between the glass casing, continually changing form.

Size: 15cm diameter

R822354	Soft Colours, Magnetic	VAT Relief	£ 49.95
R822355	Strong Colours, Magnetic	VAT Relief	£ 49.95

White Projection Umbrella

Portable and quickly set up projection surface. Perfect where space is limited and walls are too 'busy' or too dark to project onto. Ideal for getting small projected images close to a viewer's face. Inexpensive and practical resource for projector activities. Great for those without a permanent dedicated sensory room. Can be used in a tripod. For reflection only - not intended for handling or play.

Size: 110cm diameter.

R818882	£ 32.95
---------	----------------

Wireless Magnetic Wheel Rotator

Required to turn the Effect Wheel in the LED100 Projector 22612 and LED Projector 22611. Operates automatically once placed in these Projectors, without the need for any cables to connect this to the projector. 1 revolution in 2 minutes.

Size: approximately 12H x 8.5W x 5cmD

R822614	VAT Relief	£ 47.95
---------	------------	----------------

Panoramic Rotator

The Panoramic Rotator projects the central image of the effect and at the same time sends the same image orbiting around the room. It attaches to the lens of the Projector.

R822636	£ 95.00
---------	----------------

Clip-on Prism

Reproduces the original effect four times and gives the illusion of movement. The Spring, Summer, Autumn and Winter Effect Wheels are especially effective when used with this 4-facet prism.

R819934	£ 65.00
---------	----------------

Magnetic Adapter

Turn your own existing Standard Wheel Rotator with a spindle into a Magnetic Wheel Rotator so that you can use Magnetic Effect Wheels and Magnetic Liquid Wheels too. An inexpensive alternative to buying a separate Magnetic Wheel Rotator.

R822394	VAT Relief	£ 8.45
---------	------------	---------------

Create Your Own Effect Wheel

Use this clear wheel to create your own effects. Use pens, clear materials and photographic transparencies to create effects that meet your needs. Especially effective with the ROMPA® Rainbow Wi Fi Projector as this projects coloured light, so by simply using a black marker pen with the clear wheel you can create your own bespoke and personalised beautiful effects.

Size: 15cm diameter

R822336	Magnetic	£ 16.00
	VAT Relief	

ROMPA® Rainbow Wi Fi Projector Saver Pack

Compatible with our Wi Fi controllers and Sensory Magic®, this projects a range of colours, and can be used interactively. Includes 3 effect wheels and a Liquid Wheel. Wonderful for choice and control in multi-sensory Snoezelen® environments, as well as for story-telling, colour matching and scene-setting. You may wish to use the Create Your Own Effect Wheel with a permanent marker to increase your projection effects. Not suitable for use with non-magnetic effect wheels.

Size: 25L x 17W x 26cmH (including bracket); 15cmH without bracket

Effect Wheels provide an opportunity to change the appearance of the walls and ceiling of your Snoezelen® MSE quickly and easily. Replace the wheel in your projector to

- suit individual preferences
- provide new visual interest
- theme the room
- imply temperature or a time of day/year
- encourage reminiscence and conversation
- foster learning in educational settings
- choose between relaxing wheels and more stimulating wheels
- stimulate appetite

See these effects in more detail on our ever-expanding website. Visit www.rompa.com to see these products in action!

Please note the 'R' symbol which highlights all the wheels that are exclusive to ROMPA®.

Size: 15cm diameter

Wi Fi LED Spotlight

Compact, cool-running and maintenance-free spotlight. Choose one colour light all the time (6 options and white), from several colour changing programs or use interactively with a ROMPA® Wi Fi controller and Sensory Magic®. Visual effect is easily adjusted using DIP switches underneath, as is speed of colour change. No need for a colour wheel or lamp changes. With integral, angle-adjustable bracket. For indoor use only.

Weight: 0.8kg Size: 18 x 12 x 10.5cm

Wi Fi Mood Lighting

ROMPA® can install stunning lighting systems that you and your clients can control simply and wirelessly. Ceiling mounted, these dimmable and long-life LED downlights can transform the mood of a room. Featuring RGB technology, these compact and contemporary lights bathe environments in beautiful colours. Furthermore, when used with our Wi Fi controllers and Sensory Magic®, your clients can control their colour at the touch of a button. These robust lights will of course provide standard room lighting for occasions when other uses of your room require this. Perfect for new build and renovation projects. As an example, a room 4m x 4m will typically require 6 downlights. Professional installation only.

R820845 4 downlights and Wi Fi Dimmer

Motor

Our recommended means of revolving a mirror ball. Requires ceiling-mounting.

R818524 Motor 1 - 1½ RPM

£ 30.00

R818525 Motor 1/2 RPM

£ 70.00

NEW!

Portable Mini Spotlight

Perfect for highlighting smaller areas with colour. With a removable bracket for suspension from a ceiling. Considerably cooler-running than traditional spotlights. Compact and safe. Pre-programmed, including sound- responsive effect. Not especially suited to use with mirror balls. Rechargeable, or use the included 12V adapter as a power supply. With a remote control.

Size: 12cm diameter x 9cmH

R822969

£ 59.95

LED Mood Lamp

Lights up your multi-sensory environment to suit your preferences. Choose soft pastel colours or powerful and intensive colours. For example, choose pastel green for relaxation ... powerful yellow to stimulate and make you feel happy ... or bright white for rest. An appropriate light for every mood as well as individual taste and tolerance. The acrylic diffuser screen spreads the beautiful light around the room. Stylish design. White exterior encourages focus on the effect created rather than on the unit itself. Battery-operated – charge using the provided USB cable for approx. 1.5 hours. Operates for around 2.5 hours once charged.

Size: 9cmL x 8cm diameter

R821888

£ 25.00

Battery-Operated Motor Set

The portable option for your mirror ball. Offers freedom from plugs and sockets and flexibility of location. Approximately 2.5RPM. Includes motor, charger and 2 rechargeable batteries. Will hold a mirror ball up to 0.9kg (typical 15cm - 25cm mirror ball) - to be purchased separately.

Size: 17cmH

R822587

£ 29.95

Wall Bracket

Suitable for use where existing ceiling is too high or not strong enough. Drive unit not included.

R814817

£ 26.00

Wi Fi LED Strip Light System

Lighting that's as flexible as it is interactive. Perfect for edging, highlighting and bordering walls, stairs, ceilings, doorways or virtually wherever you want in your indoor area. Includes 5m of self-adhesive Wi Fi LED Light Strip and power supply. Compatible with our Wi Fi controllers and Sensory Magic® for remote control of colours. Not intended to be handled - install out of reach such as behind a short pelmet at ceiling height.

R821002 VAT Relief

£ 169.00

Mirror Ball

When a Spotlight is shone onto the Mirror Ball, reflections of light are cast all around the room creating a magical atmosphere. The mirror ball is attached to a drive unit (motor) - not included - which rotates the ball. The drive unit needs to be fixed to the ceiling or overhead support and connected to a 240v mains supply.

With coloured lights and LEDs! Make a sound and the dome responds with the attractive glow of light. Ideal for encouraging sounds and one to one or group interaction or turn taking. Includes a sensitivity control. Electrical Specification: Low voltage 12v dc operation with separate external mains power supply.

Size: 17cmH x 30cm diameter

R816351 VAT Relief **£ 175.00**

Remote Control 'Candles' – Set of 2

With LEDs for safe atmospheric lighting. Realistic-looking, the 'flame' flickers and the outside is made of wax. They smell lovely too! Ideal for those who enjoy the ambiance of candles, but who may forget to extinguish them, or who could easily burn themselves on the real thing. Includes remote control (ON/OFF, with CR2025 battery). Requires 3 AAA batteries per candle (to be purchased separately).

Size: 15H x 7.5cm diameter

R822267 **£ 11.95**

LED Rope Light

Bright, multi-action lighting for indoors and out. With LED lights for maintenance-free, cool-running, low-energy and long-lasting use. Safe to handle, although we recommend that these are used for decorative purposes only.

Colours may vary. 240V.

Size: 10mL

R818960 **£ 55.00**

Koosh Ball Mobile

The ever-popular Koosh ball is now combined in this stunning mobile! These ultra-tactile balls and central bell are stimulating and fascinating. Ideal to suspend above a bed. Colours may vary. This product contains wood.

Weight: 1.6kg

Size: approx 58cm

R819245 **£ 95.00**

Light Diffraction Panels - Set of 10

The silver faced card panels have etched patterns which reflect light at differing angles. When illuminated by a spotlight with colour wheel, an animated effect is created. Place beside bubble tubes etc. to create an attractive display.

Size: each 43 x 43cm

R814053 VAT Relief **£ 39.99**

Reflective Foil

Transforms a lifeless wall into a visual feature – on a budget. Inexpensive way to quickly and safely add 'mirrors' to your room. Can be quickly cut to the shape and size you require, especially with cutting guidelines on reverse. Self-adhesive but may require glue/double-sided tape etc to wall-mount. Polyethylene. Toy is for illustration purposes and is not included.

Size: 150 x 58cm

R819912 **£ 12.95**

LED Ceiling Panels - Set of 4

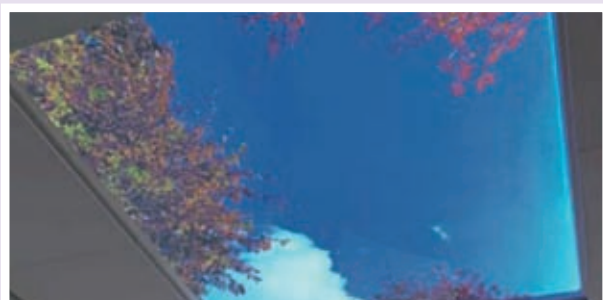

Transform an uninspiring or dark space into an inviting, cozy environment. The ultra-thin LED panels replace the desired number existing ceiling tiles. The high-quality image helps create an atmosphere and provide an illusion of daylight, as if it were a real window. Consists of 60x60 cm LED panels, graphic photo, adapter and white aluminium lifter.

Several different sets and designs are available, including Clouds Air Balloon; Clouds Oak Leaf; Clouds Pink Blossom; Clouds Sun; Fish and Balloons. Please contact us for further information.

- Large and bright visual display – visible from a distance, for visually impaired users, multiple users
- A set so looks more realistic than a single panel
- Simple to install – standard ceiling panel sizes
- Suitable for all ages and abilities
- Can be enjoyed regardless of ability – does not require any intellectual reasoning or prediction
- Realistic artwork – looks real
- Static so won't cause dizziness – motionless unlike Projectors and Effect Wheels
- Colourful and clever optical illusion – implies access to the outside in rooms that have no natural light
- Great for individuals who are bed-bound, who spend hours looking at a ceiling and who are otherwise unable to access outside spaces
- Cheerful and bright – could help lift mood – soothing, universally-liked motifs
- Distracting in medical treatment areas and dentists
- Makes maximum use of minimal space – good for small rooms with larger budgets
- Could be used to generate a theme e.g. with outdoor aromas, aquatic bubble tubes etc

Sensory Profile Packs

Designed by the highly respected Lesley Collier of the University of Southampton to manage set patterns of behaviour that may be a result of sensory processing difficulties. These difficulties may be experienced by all generations from those with no clinical problems through to those with diagnoses such as Autistic Spectrum Disorder, Anxiety, Learning Disabilities, Alzheimer's disease, Schizophrenia and Stroke, amongst

others. These packs are based around the Model of Sensory Processing (Dunn, 2001). In order to identify which sensory type you fall within the Sensory Profile or the Adult Sensory Profile will need to be completed. Each pack will include equipment that will provide a more appropriate level of stimulation to each of the senses; touch, sight, sound, smell and movement (proprioceptive and vestibular stimulation). Our Home Packs are intended for families to use to help provide appropriate stimulation at home. Contents may vary subject to availability. For 3 years and over. This pack may contain some small parts. Some of these products will require batteries.

Sensory Seeking

This person seeks out sensory experiences in everyday life and has a high sensory threshold, meaning they require lots of stimulation or a more intense sensory stimulus in order to respond. In order to achieve this they will actively seek out sensory experiences, e.g. people who like theme park rides. Typically includes flashing, tactile and sound balls; Infinity Light Wand; Twirly Whirly Rainmaker; Tactodiscs; Bag of Feelies; Massage Tube; Aroma Play Dough; Rainbow Slinky; Water Wiggly; Musical Mat and Space Blanket.

R821174 **£ 195.00**

Sensory Seeking Home Pack

Typically includes Infinity Light Wand; Flashing Rainbow Knot Ball; Space Blanket; Diddy Rainboshaker; Massage Tube; Hedgehog Ball; Aroma Play Dough; Rainbow Slinky and Water Wiggly.

R821201 **£ 50.00**

Low Registration

This person does not notice or misses sensory events in everyday life that others readily notice or is slow to respond to sensory stimulation. He or she has a high sensory threshold, meaning they require lots of stimulation or a more intense sensory stimulus in order to respond. However, despite this need they do not actively seeking sensory stimulation out, e.g. not noticing someone entering the room. Typically includes Spiral Glitter Wands; Jumbo Kaleidoscope; Spotty Spinner Ball; Shape Shakers; Foot Massage Rolls; Aroma Diffuser; Aromatherapy Kit; Name That Smell; Gymnastic Ribbon; Critters Bean Bag Set and Koosh Balls.

R820937 **£ 195.00**

Low Registration Home Pack

Typically includes Spiral Glitter Wand; Jumbo Kaleidoscope; Shape Shakers; Hedgehog Ball; Aroma Oil; Gymnastic Ribbon and Koosh Ball

R821202 **£ 50.00**

Sensory Sensitive

This person readily notices sensory stimuli and may be uncomfortable or distracted by them. He or she has a low sensory threshold, meaning they do not need much sensory stimulation in order to respond. However, rather than manage this level of stimulation they are easily distracted by it, e.g. being distracted by an untidy room. Typically includes Fibre Optic Lamp; Colour Changing Egg; Animal Sound Tin; Rhythm Pals; Dolphin; Aroma Mouse; Aromatherapy Kit; Aroma Huggabuddy (animal may vary); Chiffon Squares; Jumbo Kaleidoscope and Jungle Bowling.

R821175 **£ 195.00**

Sensory Sensitive Home Pack

Typically includes Colour Changing Egg; Glostars; Animal Sound Tin; Aroma Huggabuddy and Chiffon Squares.

R821203 **£ 55.00**

Sensory Avoider

This person deliberately acts to reduce or prevent exposure to sensory stimuli. This individual has a low sensory threshold, meaning they do not need much sensory stimulation in order to respond. As a result, they actively find ways to avoid too much sensory input during the day, e.g. only eating familiar food when in a foreign country. Typically includes Mood Cushion; Bird Mobile; Boing Ball; music CD; Rain Tube; Snoezelen® Sensory Squares; Vibrating Neck Cushion; Sparkly Play Foam; Aroma Mouse; Aroma Oil; Aroma Huggabuddy; Eggsercizers and Bowling Set.

R821176 **£ 195.00**

Sensory Avoider Home Pack

Typically includes Bird Mobile; Boing Ball; Music CD; Sparkly Play Foam; Aroma Huggabuddy and Eggsercizer.

Snoezelen® in the Bathroom

Water offers a change from the normal environment. It provides pleasure and can have enormous therapeutic value, assisting in relaxation, improving circulation and restoring mobility. Add SNOEZELEN® with water in the bathroom, spa pool or Jacuzzi and add another dimension to sensory stimulation. Create atmosphere using fibre optics, aromatherapy and music. Dim the lights and take sensory experiences to a different dimension.

ROMPA® can provide your Water Snoezelen® environment - from a modest bathroom to larger pools. Please contact us for further information.

Benefits

- Transforms bathing into a multi-sensory activity through pleasant aromas, sounds, lighting and tactile experiences
- Alleviates stress and agitation and provides a calming environment
- Encourages choice, individual preferences and promotes person-centred care
- Provides distraction and stimulation to reduce feelings of anxiety and embarrassment for both the client and the care-provider

- When introducing equipment designed for either battery or mains use into a Water Snoezelen® environment, obtain professional advice on equipment suitability and installation.
- Under no circumstances should people in the water handle electrical equipment, including items such as speakers and lighting.

Aqua Mood Light

Create a relaxing atmosphere in your bath with this colour-changing, waterproof LED light. The soft lighting can be decorative and soothing as the colours fade in gentle rotation, or stimulating when set to jump between colours, or to a fixed colour. Includes a remote control with CR2025 battery and an 8-10m range approximately. Also suitable for use in vases, water features and ponds. Requires 3 AAA batteries for the light unit. Not for use in water deeper than 1m. For 6 years and over.

Size: 7cm diameter x 2.5cmH

R822487

£ 12.95

Spa Lights - Set of 2

Float on the water surface and project six different light displays across the bottom of the bath – fade, flash, alternate, static etc. Alternatively, stand on a flat surface and project beautiful colour changing light displays on nearby surfaces. Requires 3 AAA batteries (to be purchased separately). Inexpensive and really effective.

Size: 9cm diameter

R822301

£ 16.95

LED Projector for Water Environments

Provides distraction and visual stimulation during bathtime. Adapted for use in damp environments, but equally useful in communal areas such as living rooms and dining rooms.

- Creates a large and ever-changing projection
- Provides age-appropriate imagery to promote conversation and to help bathers to relax
- Easily personalised - use a different effect wheel according to individual interests

Please purchase a Wheel Rotator and one or more Effect Wheel

R822126 VAT Relief **£ 485.00**

NEW!

Super Safe Plastic Fibre Optics for Water Environments

Provides the same effect as our usual Super Safe Plastic Fibre Optics but these are specially treated for use in water environments such as bathrooms and pools. Requires light source 19210 or 21452 for 2 harnesses. Please seek advice from a suitably qualified electrician regarding the safe installation of the light source.

R822957 3m x 150 strands **£ 265.00**

R822958 3m x 200 strands **£ 285.00**

Floating Colour Change Switch

A light weight floating waterproof switch box with four coloured buttons. Controls the colour of Wi Fi products (e.g. Colour Change Panel) from dry land or the pool. Helps develop understanding of cause and effect, colour recognition and switching skills. Indispensable for clients who need moisture-resistant switching options. A sophisticated wireless switch yet easy to use. Hand-made to be robust, durable and very high quality.

Size: 18L x 13W x 6cmH

R819424 VAT Relief **£ 575.00**

Large Colour Changing Lights

Following the popularity of the Large Colour Changing Egg, we've added two more mood lights!

Equally large, light and lovely. Great for encouraging movement and exploration. Hollow yet strong. Includes a small remote control to select one of sixteen colours, or to fade through different shades. Rechargeable. Once charged for 6 hours, it can be taken off the base station to provide 10 hours of light. For use indoors or out. Water-resistant with an IP65 rating. Tested up to 80kg of load. Each.

R821740 Large Colour Changing Egg Size: 42cmH x 30cm diameter **£ 79.95**

R822268 Large Colour Changing Pebble Size: 40 x 40 x 20cm **£ 79.95**

Spinning Cone

A versatile piece of equipment which can be used to generate balance, co-ordination and general mobility. Made of impact proof plastic and can be used for active general play or for therapeutic exercises. 'Alerting' activities involving spinning, bouncing, jumping and skipping can be used in sensory circuits at the start of the day to energise children in readiness for learning. Can be used by up to two children. For 3-10 years. Maximum weight supported 100kg.

Size: 80cm diameter, 40cmD

R814412 **£ 53.95**

'Schwimmi' Swim Collar

The collar has 2 inflatable chambers with safety valves and provides comfortable head support for children. Supplied deflated. Approximate neck measurements: 35cm (child), 44cm (youth).

R814560 **£ 22.00**

Aqualand Mat

Equally suitable for activities in the water or on land. Made from special unbreakable hardwearing foam.

Size: 95 x 70 x 1.5cm

R815876 **£ 26.00**

Garden Design Service

Outdoor sensory spaces deserve the same care and attention as indoor sensory environments to ensure their suitability, appeal and longevity. To this end ROMPA® can provide you with an extensive range of products for outdoors – from inexpensive decorations to large play structures built to last for years. Many of the products featured here are free-standing and can be mixed and matched. We have more products to choose from on our website, including options requiring professional installation. Most of these products are made to order. Please allow approximately 6 weeks for delivery.

For garden projects with a larger budget, we can offer you bespoke and tailor-made designs to make maximum use of your space.

Contact us for further information.

Includes:

- On-site visit from a Landscape Architect at a time that suits you
- Time to view the users of the space to understand their needs
- Detailed consultation with project team to ensure best use of all available space
- Hand-drawn design by an experienced landscape architect
- Plan detailing individual elements

Benefits:

- The design meets your needs as closely as possible
- The price of the design is fully refunded from projects installed through ROMPA®
- The design is yours to keep regardless of the provider you choose
- A tailored approach to your circumstances - traditional gardens to roof gardens, playgrounds to urban settings
- Exceptional results that are multi-sensory, sympathetic to nature and age-appropriate

R822887

£ 1,500.00

Music Station

Encourage listening skills, music playing, movement, fine motor skills and turn-taking. Provides auditory stimulation and can be enjoyed by sighted and visually impaired users together. Includes two 12.5cm diameter posts, rope and musical instruments (latter may vary). To be concreted in place. Large and heavy (approx. 65kg) – two people are required to unload this product on receipt.

R822850

£ 750.00

Den Pole Cluster

Great for movement, co-ordination, balance, exercise, strength-building and calculated risk-taking or den-making and imaginative play. Great for groups, team-building, shared activity and collaborative play. Includes six 12.5cm diameter posts with 6 holes and 6 hooks. Attach different materials according to use. Rope/fabric/streamers/ribbons/chain to be purchased separately. Large and heavy (approx 180kg) – two people are required to unload this product on receipt.

Size: posts 180cm above ground (60cm in ground)

R822847

£ 900.00

Mushroom Table & Chairs

Lovely for imaginative play, socialising, conversation and role-play. This delightful Red Cedar seating facilitates easy and enjoyable communication to support learning as well as social and emotional development. Includes 1 table and 3 seats. Can be free-standing or concreted into position. Large and heavy (table approximately 45kg) – two people are required to unload this product on receipt.

Size: table 56W x 43cmH; chairs 30W x 36cmH

R822842

£ 600.00

Log Seats – Set of 8

Rustic and natural for an organic style garden. These do not need to be concreted in place so they can be moved around. With an intentionally un-sanded and un-treated rough bark finish for authenticity. Large and heavy (approximately 6kg each) – two people are required to unload this product on receipt.

Size: 25-30cmH x 25-35cm diameter

R822841

£ 250.00

Archway

A stylish structure to separate different areas of the outdoor space. An aesthetically attractive meeting place too. Decorate with fabric, ribbons or tie on messages to give the arch symbolic meaning, such as transitioning to a new situation. To be concreted in place. Minimal assembly required. Large and heavy (approx. 50kg) – two people are required to unload this product on receipt.

Size: 134W (external) 92cm (internal) x 200H x 80cmD

R822852

£ 700.00

Sleeper Table & Benches

For outdoor lessons, socialising, eating al fresco or unstructured play. These can be concreted into a fixed position or free-standing. Large and heavy (approximately 250kg) – two people are required to unload this product on receipt.

Size: 120cmL; table 40H x 60cmW; benches 30H x 20cmW

R822840

£ 700.00

Planter

Gardening is an enjoyable, meaningful and rewardable activity for a variety of ages and abilities. Great for exercise, teamwork, physical fitness, mental health and well-being. Helps make your outdoor space both relaxing and stimulating. Fosters a person-centred approach as the plants you grow can be significant to individuals. With lots of sensory possibilities – aromatic herbs, colourful flowers and foliage with different textures. Free-standing. With a terram liner. Excludes soil (approx. 250kg). Assembly required. One open area (not segmented). Large and heavy (approx. 75kg empty) – two people are required to unload this product on receipt.

Size: 120 x 60 x 20cm

R822862

£ 425.00

Arched Bridge

Adds interest, height/incline whilst the decking board surface provides a textural variation to pathways. Can be enjoyed by walking and seated users (wheelchairs/trikes). A handrail on each side offers support for children. Especially effective when used as part of a sensory path with other textures and tactile input. Ready-assembled and free-standing. Large and heavy (approx. 70kg) – two people are required to unload this product on receipt.

Size: 100L x 120W x 100cmH (at highest point)

R822851

£ 900.00

Planter with Trellis

With the added benefit of a lattice frame to help support plants and provide a partial screen to mask an unsightly wall. With a terram liner. Excludes soil (requires approx. 250kg). Free-standing. Requires assembly. One open area (not segmented). Large and heavy (approx. 80kg empty) – two people are required to unload this product on receipt.

Size: 120 x 60 x 20cm; trellis 100cm above planter

R822863

£ 475.00

Timber Tepee

Fabulous for inspiring young imaginations. Great for role-, creative- and collaborative play. Includes five 12.5cm diameter posts and rope. To be concreted in place. Can be covered in fabric if desired (not included). Large and heavy (approx. 250kg) – two people are required to unload this product on receipt.

Size: posts 340cm above ground (80cm in ground); diameter approx 100cm

R822849

£ 1,200.00

Sensory Stepping Stone

Encourage movement, balance, motor planning, and controlled risk-taking. Delightful for sensory exploration, imaginative play and creative story-telling. Use to make tactile pathways and to add textural contrast and visual interest to large areas of grass. Moveable to create new pathways. Each. Large and heavy (approx. 20kg) – two people are required to unload this product on receipt.

Size: 50 x 50 x 5-10cm

R822855 Stones **£ 475.00**

R822968 Wooden Bumps **£ 495.00**

Hammock & Posts

Provides a cocooned space for rest and relaxation. Lovely for gentle swinging, this offers a feeling of security and gives vestibular input. Suitable for an adult or a child. Includes two 12.5cm diameter posts and a colourful, detachable hammock. Hammock is hand-washable and should be stored indoors after use. Maximum weight supported: 150kg. Colours may vary. Large and heavy (posts 60kg) – two people are required to unload this product on receipt.

Size: posts 180cm above ground (60cm in ground); hammock 310cmL in total (lying surface approx. 210 x 140cm)

R822843

£ 700.00

Play Bales – Set of 12

Brilliant building blocks. Helps improve co-ordination, strength, motor planning, reasoning, creative play, imaginative play and co-operative skills. Includes removable zipped cotton canvas covers and straw bales. Small enough for children's hands to manoeuvre yet large enough to sit on for circle time and group learning. Versatile, durable, recyclable and 80% biodegradable. Covers can be machine washed at 30°C. Large and heavy – two people are required to unload this product on receipt. Approximately 3.6kg each.

Size: 47L x 30W x 16cmD

R822844

£ 300.00

Rustic Play Hut

Encourages social skills such as turn-taking, sharing and co-operation as well as communication and imaginative play. Also provides a shelter for observing nature and wildlife. Use like a friendship bench – youngsters looking for a play mate can wait inside the hut. A natural alternative to synthetic, plastic houses. With a coarse bark finish for rustic appeal. Minimal assembly required. Can be free-standing or secured to the ground. Large and heavy (approx. 100kg) – two people are required to unload this product on receipt.

Size: 160W x 90D x 140cmH

R822846

£ 1,500.00

Play Cube

Encourages movement, motor planning, exercise, balance, co-ordination, social skills, imaginative thinking and creative play. A podium, large stepping stone in a sensory circuit, stage, meeting and conversing place, display platform ... it's up to you. Especially effective when purchased in multiples. Open on the underside (no base) with a synthetic turf surface and hand-holds on the side. Each. Large and heavy – two people are required to unload this product on receipt.

Size: 80L x 80W x 30cmH

R822845

£ 275.00

Chalk Board

Creative genius, artistic flair and learning shouldn't be restricted to indoors! Double-sided and big enough for groups to see/use together. Suitable for teaching, displaying information and messages, group games and shared activity. To be concreted in place for stability. Chalk to be purchased separately. Large and heavy (approx. 50kg) – two people are required to unload this product on receipt.

Size: 120L x 80H x 10cmD

R822848

£ 750.00

Sand Pit

Spacious enough for a small army of diggers, sand castle makers and bucket-fillers. Messy play is important for physical development (practising fine motor skills, hand-eye co-ordination etc.), intellectual development (exploration, understanding cause and effect etc.) and it provides great sensory opportunities. Strong, the sides are made from sleepers. With a terram liner. Excludes sand (requires approx. 4 tonne) and cover. Assembly required. Free-standing. Large and heavy (approx. 240kg empty) – two people are required to unload this product on receipt.

Size: 240 x 240 x 40cmH (10cm edge)

R822861

£ 1,662.00

NEW!

Mud Kitchen

Great for imaginative-, sensory- and role-play. Make mud pies, pretend to cook, work in a make-believe café, use for planting or as an outdoor work/study station ... its uses are limited only by your imagination. Encourages movement, turn-taking, co-operative play and motor skills. Large and heavy – two people are required to unload this product on receipt.

Size: 100L x 50cmD

R822857

£ 600.00

NEW!

Mud Digging Bed

Marvellous for messy play! Gloriously grubby, magnificently mucky and superbly sensory! Encourages imaginative play, creative interaction and learning whilst building up sensory tolerances and social skills – all at the same time as enjoying fresh air and getting exercise. Could also be used for planting and understanding of science (seasons, weather, life cycles etc.). Large and heavy – two people are required to unload this product on receipt.

Size: 200L x 200cmW

R822858

£ 550.00

R822496

£ 12.95

Trapeze Swing

Sit on the wooden bar or hang from it. Useful for balancing skills, building strength and co-ordination. With synthetic hand holds (approx. 15 x 14cm), synthetic rope and metal suspension rings. Maximum weight supported: 70kg. For 3 years and over.

Size: approx. 180H x 45W x 14cmD

R822501

£ 12.95

All of these accessibly-priced swings are intended to provide play and sensory activities at home to support, not replace, the interventions of trained professionals. These simple swings are not intended as substitutes for our TheraGym® swings which have been designed for professional and long-term use, and which have multiple features, functions and benefits.

All of these products encourage appropriate physical activity outdoors to enhance the Sensory Integration therapeutic interventions carried out by trained therapists indoors. These robust resources provide valuable and inclusive components for sensory circuits in schools as well as fun and engaging activities for the home garden.

'Grass' Sofa

Quirky and innovative, this large sofa is suitable for outdoor use for adults and children. Make it a feature of your garden and brighten up any outdoor area or patio! Weight approx 90kg - this product will require a 3 man lift.

Size: approx 209L x 85H (37 cm seat height).

R822020

£ 1,045.00

Musical Positioning Cushion by ROMPA®

A quality addition to the ROMPA® product range which gives tactile and aural stimulation whilst providing comfortable support. The bean bag envelopes the user so the vibrations and the music from the special speakers within the cushion seem to soak deep into the body offering a truly profound sensory experience. Requires music system with provision for external speakers with a minimum output of 50w per channel. Available in PVC, Polyester or Faux Suede - please specify fabric and colour when ordering. This product has a zip for manufacturing purposes only.

See page 79 for Music System.

The Sensations E Chair by ROMPA®

A soft cushioned chair with a wooden frame suitable for domestic use incorporating music and vibration. Provides tactile and auditory stimulation when used with a stereo system (not included). Available in a choice of fabric colour and wood finishes - see below. Requires music system with provision for external speakers with a minimum output of 100w (maximum 150w) per channel. We recommend the use of a suitable amplifier if used with ROMPA®'s CD Music System 21986 (both available from ROMPA® contact us for further details). This product has a zip for manufacturing purposes only. Size: 76W x 80D x 109cmH (outer measurements): 52D x 48cmW (inside measurements)

Fold Up Massage Mattress

Compact and comfortable. This Massage Mattress folds up for ease of transportation and storage. It is extremely versatile and can be used on the floor, on top of a bed or on a chair. The handset gives easy control of the mattress, including massage motors and heat. May vary slightly subject to availability. This product has a zip for manufacturing purposes only. Please note: the mattress is typically black - the items shown underneath the mat are for illustration purposes only.

Size: 170 x 60 x 8cm

R820666 **£ 99.00**

Water Mattress by Rompa®

A heated water mattress which moulds itself to the shape of the body giving total unrestricted support without any pressure points. The gentle support by water allows even the slightest movement to be felt. The special double isolated heater pad with variable heat control maintains the mattress at a comfortable temperature. The water mattress is designed to be used on the floor or a suitable strong support capable of taking the total weight when filled - the double bed weight is half a ton. The cover is made from strong, reinforced durable vinyl which can be wiped clean and is available in a range of colours. Includes heater pad, fill kit, 17m (50ft) hose pipe, water conditioner and instructions. Platforms for the Water Mattress can be made to your specifications by special order. Please specify colour when ordering. This product contains wood.

Musical Water Bed by Rompa®

Fine vibrations of rhythm, tone and beat can be produced through your music system, which connects to the bed. These are picked up through the skin as tactile stimulations. The bed adapts to the body shape giving warmth, comfort and muffled noise, possibly similar to foetal experiences in the womb. The bed has a wooden base and is mounted on a giant loud speaker cabinet. The bed can also be used for interactive stimulation by means of the included microphone to create your own sounds. PVC - please specify colour choice when ordering.

Vibrating Floor by ROMPA®

This cushioned wooden floor vibrates automatically or in response to music or vocal stimuli. It is particularly suitable for those with mild or total sight/hearing loss as it provides valuable tactile stimulation. Also used for those with autism.

- Provides three methods of vibratory stimulation:
- Built in oscillator to vary frequency and extent of vibrations.
- Musical stimulation.
- Amplifier and leads supplied for ease of connection to any music centre or radio.

Used with the microphone provided it can help to stimulate vocalisation.

Vinyl - please specify colour required when ordering.

Size: 2m x 1m x 35cmH

R814925	VAT Relief	£ 1,195.00
---------	------------	-------------------

This ever-popular range is now better than ever

- Ergonomically designed
- With a higher cushion for additional back support
- Solid foam without a rigid wooden frame
- Multi-sensory, with eye-catching and tactile fabric options
- Contemporary and aesthetically pleasing for a multitude of environments, including homes and waiting areas
- Softer, slimmer and more curvaceous styling
- Supportive without compromising on comfort

Available in a huge choice of colours. Choose from our standard PVC or 2-tone options - Faux Leather combined with Tactile Fabric. As these products have seams, they are not completely waterproof. Where there is the occasional risk of incontinence amongst furniture users, we recommend that PVC is chosen.

L/H refers to the left hand side from the perspective of the seated user, not from the view of someone looking at the settee in front of them

Textured Fabric

Contemporary yet classy colours with a blend of texture and softness to suit every indoor environment. Beautiful, tactile and practical. Fire-retardant (Crib 5), stain-resistant, phthalate-free and REACH compliant. The fabric itself is waterproof, although seams are not due to the nature of stitching. All the colour options are anti-microbial.

The sides of these products can be made in Textured Fabric, whilst the remainder (e.g. seat and cushions) is typically in Faux Leather.

Faux Leather Fabric

Available in striking modern colours, this subtly-textured fabric is as hard wearing as it is stylish. Vibrant yet tasteful, this strong fabric is a combination of PVC, Cotton, Polyester and PU. Fire-retardant (Crib 5), phthalate-free, anti-microbial and REACH compliant. The fabric itself is waterproof, although seams are not due to the nature of stitching.

Whole pieces of Chatsworth furniture can be made in up to two colours of Faux Leather, or one colour can be selected with one colour of Textured Fabric on the sides.

The Chatsworth range includes individual pieces of furniture as well as settees and corner units that can be placed together to maximise the space available. These modular pieces can be used in a variety of combinations and are perfect for waiting areas. For example, team a 3 Seat settee that has a single arm with a Corner Unit to fill a whole wall. A second settee with the opposite single arm could be added to the other side of the Corner Unit to fill 2 adjacent right-angled walls. With so many colours, sizes and sensory options to choose from, it's up to you!

To make the furniture even more comfortable and inviting-looking, why not add some scatter cushions? Choose matching colours or contrasting shades for visual stimulation.

Remember, L/H refers to the left hand side from the perspective of the seated user, not from the view of someone looking at the settee in front of them.

R814038	Large	Size: 50W x 50D x 23cmH	£ 60.00

Extra Large Cushion

Extra large and extra comfy! Big enough for several people at once. Bead filled with removable polyester cotton cover. Bold colours to brighten any classroom. This product has a zip for manufacturing purposes only.

Size: 150 x 150cm

R817134	VAT Relief	£ 139.00
---------	------------	----------

Primary Square

Far more comfortable than sitting on a hard chair, carpet or grass. As the child is snug and therefore less likely to fidget, he/she can concentrate and participate fully on the activity in the Snoezelen® room, classroom or outside area. Soft, bright and inviting. Water-resistant. To be stored indoors. Sky Blue, Lime Green, Yellow, Orange, Pink or Purple – please specify colour choice when ordering. Woven polyester. Most effective when used in multiples. Each.

Size: 70 x 70cm

R822238	£ 62.95
---------	---------

Primary Chair

Comfortable seating for children in the Snoezelen® MSE, sensory corner of the classroom, library, reception or bedroom. Can be taken outside as made from shower-proof and UV-resistant fabric. Soft and water-resistant. To be stored indoors. Red, Yellow, Royal Blue, Forest Green or Cream – please specify colour choice when ordering. Most effective when used in multiples. Woven polyester. Each.

Size: 70cm diameter

R822237	£ 57.95
---------	---------

Tactile Wedges

Activates muscles that support the spine, and encourages posture alignment. The sloped shape encourages the pelvis to tilt forward. Ideal for clients who need sensory input to stay focussed. Can also be used for balance training. Inflated.

R819291	Small	Size: 25 x 25 x 8cm	£ 20.00
R819292	Large	Size: 33 x 33 x 8cm	£ 25.00

Squashy Seat by ROMPA®

Flop into this comfy seat. The bead interior allows the seat to mould to your body. Similar to a bean bag, this seat is less supportive than foam-filled alternatives and so is unsuitable for those requiring more firm and supportive furniture. Please state colour choice when ordering. Available in Polyester. This product has a zip for manufacturing purposes only.

Seat height: approx 36cm. Floor to top of arm: approx 53cm

Size: 90 x 80 x 80cm

R816712 VAT Relief **£ 229.00**

Squorner by ROMPA®

A fabulous creation following the popularity of the Squashy Chair. So comfy you may not want to get off! Sink in and relax! Bead-filled. Please state colour choice when ordering. Available in Polyester. This product has a zip for manufacturing purposes only. The Musical Squorner also contains wood.

Size: 90cmH x 80L x 80W. Seat 42 x 42cm. Height to seat: 40cm.

R818833 VAT Relief **£ 229.00**

R819329 Musical Squorner by ROMPA® Requires a music system with provision for external speakers with a minimum output of 50w per channel. The vibrations from your music can be heard and felt. VAT Relief **£ 339.00**

Giant Oval Beanbag

Snuggletastic! A real giant of a beanbag! Cosy seat or bed. Comfortably accommodates one adult or several children. Tactile with visual animal print top. Fur and polycotton outer with bead filling. Fire-resistant and washable. This product has a zip for manufacturing purposes only.

Size: 180L x 75W x 40cmH

R818694 **£ 150.00**

Polyester Warm to the touch. Used to cover Bean Bags.

Junior Squashy Seat by ROMPA®

Specially designed for smaller bottoms! By popular demand, a junior version of the wonderful Squashy Seat. Soft and moulds to body shape. Similar to a bean bag, this seat is less supportive than foam-filled alternatives and so is unsuitable for those requiring more firm and supportive furniture. Please state colour and fabric choice when ordering. This product has a zip for manufacturing purposes only.

Seat height: approx 27cm. Floor to top of arm: approx 43cm

Approx size: 70 x 60 x 60cm

R817159 VAT Relief **£ 179.00**

Flexicushion by ROMPA®

'Hinged' cushioning that can be used as a seat against a wall or un-folded on the floor. Comfortable, firm and supportive. Soft, yet will maintain its shape. Use several cushions together for larger spaces. Non-slip base for stability. Portable. Easily folded up for storage. Especially useful with the Porters. Available in Polyester. Each.

Please state colour when ordering. This product has a zip for manufacturing purposes only.

Size: Unfolded: 145L x 145W x 10cmD

As a seat: 145L x 72.5W x 10cmD

R816713 VAT Relief **£ 235.00**

Waterproof Bean Bag

Hygienic and practical seating. Made from flame-retardant, moisture vapour permeable, 2-way stretch fabric. With taped seams and zip-flaps to help prevent the ingress of fluids. Easily wiped clean and the cover can be cleaned up to a temperature of 70°C if necessary. Navy blue.

Rest, Recovery & Re-Orientation - a joint initiative by ROMPA® and Ryall

In response to requests from our valued customers, ROMPA® has developed the Rest, Recovery & Re-Orientation Rooms, or '4R' environments.

Designed for demanding environments such as schools with BESD (EBD) students, offenders' institutes and prisons, these custom-made and fully-installed facilities offer a safe environment for those with challenging behaviours and aggressive tendencies. Carefully developed in conjunction with Tony Ryall, an expert in this field, the value of these rooms is becoming increasingly apparent. In the 4R environment, clients have the opportunity to calm down, rest, recuperate and recover in a secure, robust, damage-resistant environment for a carefully monitored minimal time. Most importantly, these environments encourage 're-orientation', such as the re-introduction of the person back into their usual environment.

To be used in conjunction with positive handling and appropriate physical management practice, these facilities offer a comfortable and calming area, which can be continually viewed by teachers, supervisors or competent staff from outside the room - without putting staff resources under increasing strain. In some cases, by replacing external factors (such as staff imposing control), these rooms can help develop internal mechanisms for calming and foster understanding of rights and responsibilities - not least clients are encouraged to manage their own behaviour. This is an extension of existing interventions for a whole range of needs, and operates with the best interests of the person as its principle to safeguard people and respect the 'Duty of Care'. The initiative encourages the safety of the disruptive person, his peers and supervisors alike.

Whilst risk can never be eliminated, these environments aim to significantly reduce risk, the number of potential injuries, exclusions, holding and numbers of staff required. Children on the Autistic Spectrum may need the room as part of their Time Out Plan.

These rooms, typically 2m by 3m, are one part of a wider structured programme, that includes a support plan, an intervention plan and parental responsibility. Each installation is accompanied by detailed training to ensure the appropriate and safe use of the room. It is used in conjunction with all appropriate legislation and good practice policies. Please note: 4R rooms are not to be used as Snoezelen®, sensory or Seclusion rooms.

ROMPA® believes that innovation and reliability go hand in hand - trust ROMPA® to deliver what we promise.

Furniture for demanding environments

Requests to include furniture in our range that would be appropriate for demanding environments encouraged ROMPA® to design furniture and cushioning to meet those needs. With the appearance and comfort of standard furniture, these products have additional features:

- Light with no hard corners
- Durable, moisture repellent covers to withstand robust use
- Hand finished seams which replace zip fasteners
- Additional sealing of seams for improved hygiene
- Chairs that support body weight when seated which will collapse when stood on.

ROMPA® furniture is manufactured from fire retardant materials (ROMPA® is a member of the Furniture Industry Research Association (FIRA))

Call ROMPA® for advice on the most appropriate furniture for your needs.

Seclusion Furniture by ROMPA®

Specifically designed for use by clients with severe behavioural problems and unpredictable tendencies. Features:

- no inner wood or metal frame, therefore no hard surfaces
- no zips, cords nor sharp edges
- client cannot hide objects in the chair
- client's hands are visible
- low position and sloping armrests mean client cannot get up hurriedly
- available in Polyester or PVC - please specify when ordering

R816742	Seclusion Chair	Size: 82L x 85W x 70cmH. The seat area is 50 x 45cm, and from the floor 23cm. Arms are 20cm wide.	VAT Relief	£ 350.00

Pos-Pod™ Modular Multi-System by ROMPA®

A brilliant Positioning range that is invaluable as individual pieces and as a collection. Mix and match the different sizes and fillings to obtain the desired level of support. Modules can be joined together to create taller cushions or 'beds'. Intended to maintain stability, encourage a range of motion and promote better body alignment. Can be used with ROMPA® Water Mattress and ROMPA® Mattress – sizes are also compatible with many standard beds. Colours are vibrant and attractive, and the fabric is extremely pleasant to the touch. Please specify colour required when ordering.

Polytran

Extremely pleasant to the touch, this soft, matt-finish fabric is perfect for products used for long periods of time. Latex- and -phthalate-free, as well as flexible, this fabric is a knitted polyester with a polyurethane coating. It has an anti-bacteria and anti-fungi coating. This fabric meets appropriate fire-retardancy standards and has been specially selected for our Pos-Pod™ Modular Multi-System.

Ideal For:

- ✓ Positioning Cushions
- ✓ Wedges & Rolls

Experience the soft sensation for yourself and request a fabric swatch!

Edge Blocks by ROMPA®

A firm but soft edging system for open sides of ROMPA® Soft Play areas. They present an easily defined line between floor mats and normal floor as well as retaining all the products firmly in position. Wooden base is incorporated into edge block. Size: 20cmW x 15cmH x any length

- R812643 per metre VAT Relief **£ 69.00**

Floor Mats

Don't forget that our mats are ideal for Sensory Integration rooms too!

Floor Mats can be made with handles by special order. Should you need to regularly remove floor mats (to allow wheelchair access for example), ROMPA® can make easy-to-move floor mats to suit your requirements.

We can also manufacture mats using foam of different densities. Should you require firmer mats with less 'give', we can make mats with a choice of higher density foams.

Please contact us for further information.

Stepping Stones by ROMPA®

Which Colour?

Our mats are available in a large spectrum of colours. Choose from bright, alerting bold colours to stimulate or white and pastel colours for calming. Paler colours are better suited to the use of projectors, which allow you to theme your room according to the effect wheels you choose.

Alphabet Fun
Dolphins & Whales
Space Adventure

Themed Fabrics

Bring your rooms to life with our fantastic fabric designs!

With all the qualities of standard ROMPA® fabrics, these exciting new picture fabric designs add a different dimension to your area.

Available on wall mats and Cabin walls, these fabric designs offer several options for your room layout:

- picture mats to all walls as complete friezes
- one wall of picture mats to give a mural effect
- individual picture mats used in conjunction with our regular mats to create a vibrant feature

Further information available upon request

Maximum height and width available per Wall Mat: 145H x 145cmW

Please note: each design is illustrated over three Wall Mats, repeating itself over 435cm.

If ordering less than three mats the selection will be random.

“My daughter loves them. I bought 3 of these bumpas. Would highly recommend these.”

Use the Talking Cube or 8 Colour Controller to change colours!

Sparkling Tunnel

- Compatible with our Wi Fi controllers!
- Use with the Talking Cube or 8 Colour Controller for interactivity!

A fibre optic carpet brings oodles of visual and tactile appeal to the full-length central tunnel. A soft 50mm thick mat provides a comfortable area to lie and crawl on. Includes LED light source. Black carpet. Please specify vinyl colour required when ordering. We recommend that this product be installed near to a wall to allow the light source to be wall-mounted out of reach. Can be switched ON/OFF. Switch included. This product contains wood.

Size: 90L x 90W x 90cmH; tunnel 64cmH x 64cmW

Solid Structure Ballpools for all applications

Some people want to release energy whilst others wish to sink back and relax. Whatever your preference ballpools offer an inviting opportunity for a major change in environment.

They provide safety and support for limbs and body. They allow movement whilst providing touch contact all over the skin area. Use ballpools as an adventure, pulling and pushing, lifting and falling. They offer a chance to turn the journey into a shared experience.

Ballpools can be made to any size - 2, 3 or 4 sided. When ordering, please state the external dimensions.

Ballpools are built around a wooden frame, and are cushioned with high quality, latex-free foam.

Contact ROMPA® NOW for advice on measuring or a price quotation for your tailor-made ballpool.

One Piece Ballpools by Rompa®

Made from a foam covered wooden frame with a fixed vinyl base. Walls are 20cm thick. Balls to be purchased separately. Please specify colour when ordering.

R814140	Size: 50cmH x 145 x 145cm, supplied in one piece	£ 575.00

Relaxer™ Travel Size Weighted Blanket

Helpful for calming during the day and to aid relaxation during daily activities that could otherwise become stressful situations. Take it almost anywhere for convenience and reassurance e.g. in the car, on the plane, at the dentist's or hairdresser's. Suitable for children and adults. Affordable and portable. Designed by an Occupational Therapist with over 25 years of experience. Triple-stitched for robustness and so the filling is safely contained. The hygienic filling is BPA-free, phthalate-free, and lead-free. Cotton outer for comfort and durability, even after repeated machine washes. Pattern-free to avoid distraction and visual over-stimulation. With a scoop neck for comfort to avoid discomfort around the face and neck. Colours may vary.

All the weight of the Relaxer™ Travel Blanket is on the person therefore the Travel Blanket can weigh less than a weighted blanket used for sleeping.

Who could benefit from using a Relaxer™ or Sleep Tight™ Weighted Blanket?

Weighted Blankets have been successfully used as a medication-free alternative solution by children and adults with:

- Attention Deficit Hyperactivity Disorder (ADHD)
- Attention Deficit Disorder (ADD)
- Autistic Spectrum Disorder (ASD)
- Sensory Processing Disorder (SPD)
- Mental health challenges
- Trauma- and anxiety-related issues

Sleep Tight™ Weighted Blanket

Helps clients to become calm and comfortable to encourage restful sleep. Suitable for clients weighing over 9kg (20 lbs) who have difficulty calming down to get to sleep. With a curved neck cut-out to help prevent the blanket from bunching around the face. Designed by an Occupational Therapist with over 25 years of experience. Triple-stitched for robustness and so the filling is safely contained. The hygienic filling is BPA-free, phthalate-free, and lead-free. As a general guideline, blanket weight should be from 15-25% of client body weight, although we recommend that you seek professional advice as to the suitability of these products for your particular client. Colours may vary.

Machine washable.

- Scoop-neck for comfort

Adjustable Weighted Blanket

With a unique and highly flexible design. Attach or detach the individual sections to adjust the size of this blanket according to need. Whole sections can be separated for day time and portable use (or for washing), and assembled again using the Velcro® for night time. Each section has several pockets so you can regulate the weight distribution as required. The weighted pouches contain balls and polyethylene granules. Helps individuals with sensory processing problems, anxiety, sleep deprivation, ADHD, hyperactivity, hypersensitivity and Autism to rest, and awaken feeling refreshed, energised, less irritable and with improved concentration. The blanket stimulates the body's nervous system by providing a deep, constant and predictable pressure on the whole body. Wrapping an individual in the blanket facilitates relaxation and helps improve well-being as well as bodily awareness. 100% cotton to maintain a comfortable temperature. Dark blue in colour to soothe.

Size: 200cm (typically use up to 3 sections for children and 4 for adults)

Safe Use of Weighted Blankets

- The weight of the blanket must proportionately match the child's physique and weight
- Use only under an Occupational Therapist's direct supervision
- Never allow the client's head to be covered by the blanket
- Make sure the client can quickly get in or out quickly from under the blanket
- Vital signs must always be observable

See pages **112 to 113** for ballpools

Weighted Animals

Lovely for home or the classroom. Designed to provide deep pressure input throughout the day. Contains approximately 1.7kg (3.7 lbs) of beads.

Sand Snake

Stand on the tactile snake and it will not roll to one side. Position the snake straight, curved or coiled. The elastic textured material massages the feet. Ideal for use in therapy for people with perception difficulties. Polyester cover with quartz sand inside. Because of its weight, can also be an excellent Sensory Integration tool for calming. Colours may vary.

Size: 150L x 6cm diameter

R818991

£ 45.95

Weighted Sensory Cushion

Curious and calming. The tactile and visual objects enclosed invite exploration whilst the weight of the cushion may offer a sense of security. Large enough to place across the lap or on a table for a shared activity. Large size and objects to suit the visually impaired and those with limited fine motor skills. Objects selected are appropriate for all ages. With double-stitched seams and thick PVC fabric for extra safety. The cushion is quite rigid and so is not especially suitable for the frail.

Size: approx 65L x 40cmW

- Customisable weights
- Extremely adjustable fit
- Machine-washable
- Quickly removable

Weighted Vest

Made from soft, breathable, non-flammable material, these vests slip over the head with ease and close at the shoulders and sides with Velcro® for easy adjustment and a snug fit. Weight packs are inserted into the eight concealed pockets (four at the front, four at the rear) of the vest. Each pocket has Velcro® to keep the weight packs in place. The length of the vest can be adjusted by folding up the lower part and securing using the Velcro® strip on the inside. Machine washable (remove the weights beforehand). Colours may vary. Available in five sizes, each at an affordable price so you can choose the next size up as your child grows. Length is from the top of shoulder to bottom of vest; width is the circumference, measurement around the waist.

Lap Pad Set

Non-invasive method of providing proprioceptive and tactile feedback for seated users. Each pad holds separate weight strips (included). Weights are safely secured at both ends so pad can be reversed. We recommend a suggested starting point the use of weights totalling a maximum of 2.5% of the clients total body weight (this would be less for a small child). Pliable and non-flammable. Polyester with PU foam. Colours may vary.

Includes 3.6kg (8 lbs) of weights. Size: 61 x 25cm		VAT Relief	£ 48.00

See page 235 for the Cozy Caterpillar

Body Roller

Provides deep pressure as the child crawls between the rollers for additional sensory input. In a similar way to babies being calmed by swaddling and being wrapped tightly in a blanket, deep pressure can be soothing and relaxing. Deep pressure is especially beneficial for children with ASD and ADHD, and can help reduce tactile defensiveness in those who cannot tolerate being touched (hypersensitivity or over sensitivity to touch). Providing appropriate sensory input through a product like this Roller may reduce self-stimulation and self-harming amongst children craving deep pressure. Moving through the rollers can help with motor planning, and can be used as part of imaginative play. Tension and pressure are easily adjusted to each user's specific needs – you can choose the appropriate level of proprioceptive feedback for your child. The rolls are fully padded which helps the child to relax. Available in red, green and blue – please specify colour choice when ordering. User weight limit: 136kg (300 lbs).

Size: 100L x 75W x 58cmH

TheraGym® Itinerant Frame

Height adjustable!

The first real portable suspension system available for travelling therapists using SI. Strong, this frame allows flexibility and portability with suspended equipment in remote sites where ceiling eye bolts have not yet been installed. Heavy-duty steel construction with a Safety Rotational Device and height-adjustable contracting legs. Folds easily. Please note: this is not a substitute for permanently fixed suspension points - it is a temporary alternative for light suspended activity only. This frame is not recommended for clients requiring a more supportive suspension unit for daily intensive therapy. Swinging activity can only take place within the angles of the frame legs. Do not exceed load stipulated. See 21549 for a Square TheraGym® Platform Swing.

Not suitable for use with 21566 Adjustable Angle Swing with Foot Rest, 21560 Bolster Swing, 21561 Economy Bolster Swing and 21579 Ultimate T Swing.

Weight: 24kg (two people may be required to lift this frame)

Working load: 136kg (300 lbs)

Size: takes up 300 x 300cm (10 x 10') of floor space; 210cm high when assembled.

£ 165.00

“This can be hung from one suspension point, or two, and so both linear and rotational vestibular input can be achieved. A fantastic swing to help develop tonic extension and integrate retained primitive reflexes. This also makes it very able to achieve supine positions. We also use this swing in Sensory Attachment Interventions as it can provide a nurturing feedback when slowly rocked, and can cocoon the person.”

Annie Doubleday, Emma Jerman,
Occupational Therapists

TheraGym® Therapy Net Deluxe Swing

Provides linear and rotational movements to enhance core development and motor control. Whilst some children seek the comfortable and soft enclosure of a fabric swing like the TheraGym® Tear Drop Swing, others prefer the more open and visible space provided by a net swing. Our Therapy Net Deluxe Swing helps a child feel secure whilst their vestibular system is stimulated. This also provides a safe haven for activities such as reading and studying. A heavy-duty nylon cord unit is suspended from welded steel rings. Includes one safety snap. Vinyl-covered birch board (58cm diameter) is optional. Working load: 225kg (500 lbs)

Size: 122cmH

Beano Swing

Improved design – softer rope for extra comfort to little hands!

A robust, waterproof polyester bag filled with polystyrene beans. Swing on the Beano by gripping the swing between your thighs, resting on the bean bag seat.

Working load 90kg (200 lbs). Colours may vary. Includes a built-in plastic reinforced tear-shaped loop at the top of the rope to be hung from your suspension system. The length of this rope makes this swing unsuitable for use with the Suspension System 17687. This product has a zip for manufacturing purposes only.

Size: seat 90cm circumference, 50cmL; rope approximately 140cmL

TheraGym® Bubble Swing

Colourful and comfortable. Suspended from one point, the client can straddle the swing and hold on with both hands. Suspend from 2 points and the client can lie on it prone or straddle and glide. Filled with micro-fibre for a bean bag sensation. Includes 2 safety snaps.

Working load: 159kg (350 lbs)

Size: 104cmL

R820530 VAT Relief **£ 450.00**

Sensory Integration is a therapy that should be carried out by suitably trained and qualified people. These swings are intended for controlled movements - they are not toys.

“Our new therapy is filled to the brim with Rompa® equipment and resources but the most popular Rompa® equipment that the children have just loved, has been the Beano Swing ... One recent task was to use the Beano Swing to knock down a tower made from the Soft Play, aiding a child seeking ‘crash and bump’ sensation and then also using the Beano Swing to drop down into the up-turned barrel helping motor planning and body awareness.”

Dominic Simpson, jigsaw Occupational Therapy Ltd

“The children love it and have given it many different names, such as the ‘zip wire’ and ‘thunder bolt!’ The Beano Swing requires good core stability and tonic flexion as well as strength in the arms and legs to hold on. The swing is a challenge to master and we grade the activities to build up the child’s strength. We place a large beanbag underneath until they are able to independently hold on. This swing allows for accelerating linear movements that the child creates himself or the swing is used for rotational movements. The Beano Swing is an essential piece of equipment in our S. I. clinic.”

Annie Doubleday, Emma Jerman, Occupational Therapists

BENEFITS

- Colourful and appealing
- Fun and functional
- Cover provides comfort and prevents access to air valve
- Ideal for the many children who do not like the sensation of rubber

Tube Swing

Multi-directional swing that is colourful and appealing. Sit on it or lie across it on your tummy. Fun and functional. The heavy-duty and zipped polyamide cover is both inviting and practical as this covers the air valve of the inner tube and makes the swing easier to hold onto. Includes reinforced suspension bands. Requires inflation.

R821893 Child Maximum weight supported: 80kg **£ 219.00**

Size: 50cm internal diameter; 85cm external diameter
 R821894 Maxi Maximum weight supported: 100kg **£ 299.00**
 Size: 83cm internal diameter; 135cm external diameter

TheraGym® Tear Drop Swing 

Provides a gentle swinging cocoon sensation. Features include a machine-washable nylon mesh swing and a Vertical Bouncer Kit (21567) to attach the swing to a secure point of suspension. With a high opening to increase the enclosed effect, please consider access into this swing e.g. Soft Play Steps. Working load: 90kg (200 lbs)
Size: 162.5cmL x 61cmW

“This swing instantly seems to attract attention from the younger child, some of whom seem drawn to this and want to feel cocooned. They love the sense of safety that this provides, and feel secure in the swing. With a smaller opening than other swings, this gives a better sense of separation and physical boundary. They have described it as their bubble. Our sessions consider therapeutic space, such as activities working in close proximity and tight space, and being able to push against flexible boundaries feeling like ‘womb space’. It has therefore been a valuable swing in our Sensory Attachment Interventions too.”
Annie Doubleday, Emma Jerman,
Occupational Therapists

R821555 VAT Relief **£ 255.00**

TheraGym® Time-In Swing

Offers several options for vestibular input. Its soft, supple and washable nylon mesh fabric construction is perfect for gentle swinging and relaxation. The stabilising bottom board acts as a solid flat floor for sitting or kneeling and can be easily removed to create a more snug sensation. Comes with an extra-strong safety snap. Weight capacity: 90kg (200 lbs)

Size: 162.5cmL x 61cmW

ROMPA® is proud to be the exclusive European provider of therapeutic products from TheraGym®, a leading developer of the highest quality therapy solutions.

TheraGym® Square Platform Swing

Provides many multi-sensory opportunities with extra stabilising features: a hanging disk to keep the swing moving uniformly and a carpeted platform to keep clients in place. With one suspension point to allow the child to go in different planes of movement which increases the vestibular input and challenge. This hardy swing has a solid Baltic Birch wood base with a smooth edge for safety, and a soft removable carpet pad. Safety snap included. Weight capacity: 360kg (800 lbs) Size: 72 x 72cm

TheraGym® Rectangle Platform Swing

Allows the child to sit or lie down. Large enough for the child to be seated and still have space for activities on the swing such as building blocks, or beanbags to throw at a target. Has a solid Baltic Birch wooden base with rounded corners. Includes the platform swing and a Safety Snap. Excludes the carpet and hanging disk of the square version. Weight capacity: 360kg (800 lbs)

Size: 72 x 48cm

R821599 VAT Relief

£ 275.00

“The platform swing is an essential swing in our S. I. clinic, as it allows for the child to work in different positions such as sitting, laying on their tummy or back. It is very versatile and allows for the task to be graded. We love to use the Tube Swing inside the platform to provide more postural support with gentle vestibular input. As the child improves their posture through the use of S. I., the challenges can increase and the child can lie or sit in different positions. The swing has ropes that the child can hold on to for support and we encourage the child to start to self-propel and move the swing themselves, as this is an excellent bilateral timing and coordination task, and provides proprioceptive input.”

Annie Doubleday, Emma Jerman, Occupational Therapists

Sensory Circuits Saver Pack

Everything you need to help you create a sensory circuit. Perfect for schools to energise and settle students at the start of the day or after lunch in readiness for learning. Encourages concentration and focus as well as improving sensory processing skills. Motivating and engaging, sensory circuits can help improve self-esteem, alertness, spatial awareness and physical well-being. Includes activities for alerting (stimulation to prepare the brain for learning e.g. spinning, bouncing, jumping), organising (using motor sensory processing and timing skills for multi-tasking in the correct order e.g. balancing, co-ordination activities) and calming (last of all to avoid hyperactivity e.g. deep pressure and rocking). Especially effective when purchased in multiples for more students to enjoy. Contents may vary but pack typically includes:

- Concertina Mat
- Sand Snake
- 2 PVC Hoops
- Gymnastics Ribbon
- Hop Ball
- Lolo
- Multi-Purpose Ball
- Spinning Cone
- Tactodiscs
- Mini Rocking Board
- Weight & Balance Cushions.

£ 11.95

Bouncy Lily Pads

Many children with sensory processing disorders and ASD enjoy jumping and bouncing. These lily pads provide a safe place to bounce and an outlet for releasing energy appropriately. Both options provide proprioceptive input and vestibular activity that children with sensory processing problems can crave. These lily pads can help improve flexibility, spatial awareness, confidence and co-ordination. Particularly useful when combined with other balance products from ROMPA® to create a sensory circuit. With heavy duty springs distributed evenly between two layers of Baltic birch wood. Completely covered in easy to clean polyurethane vinyl to prevent hands and feet getting pinched. With a non-slip rubber base for added safety. Colours may vary.

Fun, interactive, good exercise – and really addictive!

Sensory CardioWall®

“Strike” the light pod as it illuminates as quickly as possible. Features different games and can be tailored to ability. A noise reward is sounded when “hit” and the light goes out. Use the palm of a hand, weighted balls, boxing gloves or throw balls at the targets - all provide opportunities to adjust according to need. Enables people to use different heavier/bigger/smaller objects grading up/down grips and weights to target need. Great for core/balance, the wall uses a range of muscle groups depending on use – it encourages standing, bending, reaching, stretching, gripping and throwing. CardioWall® records and displays current score to enable assessment and records of progress. Accessible to seated and standing users. Extremely robust to withstand vigorous and repetitive play. Smaller version has 5 light pods; the larger has 9. Please specify the orientation when ordering the Large wall – portrait or landscape.

'Wave' shape tactile panel available on application

Abstract Tactile Panel by ROMPA®

Aesthetically charming as well as highly tactile. A large variety of fluid shapes, raised and recessed areas as well as contrasting textures make this contemporary looking panel as pleasing to the touch as to the eye. Textures have been carefully chosen to offer a range of temperatures, softness/hardness, smoothness/coarseness and include fabric, tile, carpet, synthetic turf and safety mirror. To be wall mounted. Wooden frame. Colours and features may vary.

Size: 115 x 115cm

R820940 VAT Relief **£ 495.00**

Sensory Pictures

Wonderfully decorative features to brighten your walls. Created to suit individual interests and preferences, these are brilliant finishing touches to a variety of environments such as Snoezelen® MSEs, bedrooms, classrooms, corridors and waiting areas. For person-centred care, these can be comforting and an easy way to personalise an indoor space. The 3 pictures listed below show just 3 ideas. Contact us to discuss your requirements – other sizes, motifs, backgrounds and colours are available.

R821942	Dog Sensory Picture (green)	£ 85.00
R821943	Footballer Sensory Picture	Size: 60 x 42 x 2.5cm £ 85.00
R821945	Custom-Made Sensory Picture e.g. butterfly, hummingbird	£ 100.00
R822124	Happy Hound Sensory Picture (with moveable ear)	£ 79.00

ROMPA® Tactile Panels have many uses including:

- exploration of the textures for enjoyment, not as part of a goal-orientated activity so there is no pressure to achieve
- tracing lines and visual tracking
- stimulating conversation and an awareness of preferences e.g. the different sounds can encourage discussion about musical likes and dislikes, the different fabrics can facilitate an understanding of clothing needs
- musical or imaginative play - touch the corresponding texture or instrument as it is mentioned in a story ...
- for orientation - as tactile signposting along corridors for those with visual impairments

Midi Abstract Tactile Panel

Ideal for smaller spaces and budgets, without compromising on texture, aesthetics or purpose. To be wall-mounted. Colours and features may vary.

Size: 57.5L x 115H x 3.5cmD

Now in CD format!

A CD of sound effects with accompanying manual of questions and suggestions to encourage reminiscence. With 14 sound scenes (30 seconds to 2 minutes each) and 25 mystery sounds that can be used as a guessing game. Sounds include: trains, traffic, in the kitchen, farm, water sounds, typewriter, sewing machine, telephone and church bells.

R850986

£ 19.95

Simple Music Player

Many individuals with Dementia want to listen to music but are unable to use conventional music players because they find these too complicated to operate. This version is designed to overcome these problems as it helps to provide people with Dementia with music they remember in a way they can independently access themselves. Operated by lifting the lid, which automatically switches the unit on and plays a tune. If a new tune is desired, a single large button allows the individual to skip to the next track. Family, carers or friends set the volume (which is intentionally not easy to change by accident), as well as downloading tunes onto the player (easily via a USB link from a Windows, Apple or Linux PC).

Size: 30 x 19 x 11cm

Talking Cube by ROMPA®

- A highly popular product in our Wi Fi range
- Can change Bubble Tube, Panel, Wi Fi LED Spotlight, Wi Fi Colour Wall Controller, Wi Fi Mood Lighting and Fibre Optic colours
- No PC or programming required
- Audible and visual!
- Easily personalised with your own recordings and images

This wireless talking soft play cube is multi-purpose and has endless educational applications. It enables the user to control the colours of the sensory environment - throw or drop the cube and change the room colours. Each of the 6 brightly coloured sides has a transparent pocket into which you can add your own pictures, symbols, words or photographs. You can easily customise each cube face with your own pre-recorded message, with your voice! To promote colour recognition, simply roll the cube and listen as the name of the uppermost colour is heard. Make the cube land on the colour blue and be rewarded with the sound "blue!" Throw a green and hear the word "green!" and so on. Ideal for developing the understanding of cause and effect, colour recognition, picture recognition, reminiscence, developing listening and motor skills, put dots in the pockets for use as a die ... the possibilities are endless!

Includes cube, speaker and 9V battery. This product has a zip for manufacturing purposes only.

Size: Approximately 30x30x30cm.

Z-Vibe®

A sensory oral motor tool that vibrates. Intended for oral motor exercises and sensory stimulation. Use it to provide input to the lips, tongue, cheeks and jaw. This tactile input may help increase oral awareness and tone, decrease oral defensiveness, encourage texture acceptance and improve a variety of speech, feeding and sensory skills. The lightweight handle has gentle bumps for a non-slip grip. Battery and a Probe Tip included.

Size: approx 16.5L x 1cmW

R821307	Royal Blue	VAT Relief	£ 36.95
R821308	Magenta	VAT Relief	£ 39.95
R821318	Battery		£ 5.00

Z-Grabber™

The Z-Vibe® with a chewable grab loop handle. For clients who crave the vibration and sensory stimulation of the Z-Vibe, use this to transition them into working on biting and chewing skills. Also valuable with the vibration switched off. Includes 1 Textured Bite-n-Chew Tip XL and 1 Switch Tip. Battery included

R821315	VAT Relief	£ 39.95
R821318	Battery	£ 5.00

Probe Tip

Use for oral motor assessment and development. Designed by a speech and language therapist. With a rectangular tip that is bumpy on one side, striated on the other, and smooth along the edges. These textured surfaces provide tactile input, awareness and sensation. Use to stimulate the gums, palate, cheek and tongue through stroking and by applying pressure. Each.

R821309	VAT Relief	£ 5.95
---------	------------	---------------

Spoon Tips – Set of 4

After using the Z-Vibe® and the Probe Tip to encourage children to eat solid foods, the next step is to use Spoon Tips. The size and shape allow for easy feeding and oral stimulation. Includes 1 each of: Hard Spoon Tip, Soft Spoon Tip, Hard Textured Spoon Tip and Soft Textured Spoon Tip. The Textured Spoon Tips have texture on the back to encourage acceptance of textured foods.

R821312	VAT Relief	£ 25.95
---------	------------	----------------

Z-Vibe® & Z-Grabber™

Most people are either auditory or visual learners, but sometimes these senses are not enough and we need to consider the sense of touch. Speech and Language Therapists have been trained to use tactile input to teach clients how to lateralise their tongue, elevate their tongue tip, make a tongue bowl, close their lips, learn a rotary chew, position the articulators for sound production and other oral motor skills. Vibration provides a new level of sensory stimulation to increase awareness and to draw more acute attention to the articulators. Vibration can also be calming and organizing.

All these products are lead-, latex-, PVC-, BPA- and phthalate-free, and are for supervised use under the guidance of a therapist or trained carer. Change the Tips for work on speech and feeding skills. All Tips require a Z-Vibe® or Z-Grabber™. The Soft options are made from a softer, more resilient material for those with a bite reflex and/or sensory issues.

See page 79 of our Winslow catalogue for the Fine Tips and more images

Animal Tips – Set of 3

Friendly faces to engage, improve concentration and increase willingness to participate in therapy. Each tip has a variety of shapes and textures for oral stimulation and sensory input both within the oral cavity and around the lips and face. Use the textured ears as spoons to decrease texture aversion, or use the bite blocks on the back to practice jaw grading and stability. Useful to work on biting skills, coordination of movement, discrimination and play therapy. Includes 1 each of Cat, Mouse and Dog.

Size: 4.5W x 8H x 3cmD (Cat); 7.5W x 7.5H x 3cmD (Mouse); 7W x 6H x 3.5cmD (Dog)

R821314	Soft Tips	VAT Relief	£ 31.95
R821319	Hard Tips	VAT Relief	£ 29.95

Preefer Tip

Similar to the Probe, and requested by therapists who wanted a round end instead of the rectangular end of the Probe. With long striations around the circumference of its tip that are useful when a 'rolling action' is required. Use to stimulate the gums, palate, cheek and tongue through stroking and by applying pressure. The textured surfaces provide tactile awareness and sensation. Each.

Size: 6cmL x 1cm diameter

R821310	VAT Relief	£ 5.95
---------	------------	---------------

Mini Tip

A smaller version of the Probe Tip for babies and toddlers up to 2½ years (depending on the size of the oral cavity). The rectangular shape has 3 different surfaces: bumpy, striated and smooth. It provides a varied sensory experience when stroking and applying gentle pressure to the gums, palate, cheeks, tongue and lips. This may increase oral awareness for individuals with hyposensitivities, or may decrease oral defensiveness and food aversions for those with hypersensitivities. Can be used to provide targeted tactile cues during oral motor therapy. Each.

Size: approx 1 x 1 x 6cm

R821311	VAT Relief	£ 5.95
---------	------------	---------------

Chew Wrist Band

Hard-wearing flexible bracelet to provide sensory input from biting or chewing. Made of anti-bacterial thermoplastic. Washable in soap and water. BPA-, phthalate-, cadmium-, lead- and latex-free. Suitable from birth onwards. Colours may vary.

Size: 3-5.5cmW

R821689

£ 12.50

“Excellent! He no longer chews at his wrist and hurts himself. When he goes to chew he takes it off and chews on it in his mouth. Hard wearing too he is a strong chewer and there are no dents in it at all!”
 Rebecca O., Verified Buyer

Chew Pendants

Great for those who require more or less oral awareness. Choose from different shapes to increase/decrease the input. Safe. Made from 100% food-grade silicon. Brilliant for home, school and when out and about. Designed by an Occupational Therapist. Contemporary-looking and relatively discreet. Each pendant requires a lanyard 21145. For 3 years and over. Must be used under appropriate supervision.

Size: approx 1cm thick

Pencil Toppers – Set of 3

Perfect for classroom use. Made from 100% food grade silicon, these slip easily over the top of most pens and pencils. Provides great safe oral input for those who chew on their pens and pencils. Colours may vary. For 3 years and over. These items are not toys. Must be used under appropriate supervision. BPA-free, phthalate-free, lead-free and dishwasher safe. Check these regularly for wear and dispose of them once pierced. Not to be trimmed.

Size: 10cmL

R821146

£ 10.95

Chewy Tubes

Innovative oral motor device designed to provide a resilient, non-food, chewable surface for practising biting and chewing skills. Originally designed to be used with the Jaw Rehabilitation Program. Safe, non-toxic, latex- and lead-free. The little bumps on the surface of the Green Knobbly Chewy Tube provide tactile stimulation for the mouth. Red Chewy Tubes offer a slightly larger stem than the yellow, providing greater resistance. The Blue Chewy Tube provides the greatest resistance. Available in sets of 2 and 6.

Size: 8L x 6cmW

R854152 Blue - Set of 6 VAT Relief £ 42.00

Y-Chew – Set of 4

To exercise the lips, tongue, cheeks and especially the jaw, allowing the mouth to learn and grow strong through oral motor exploration. Also useful as oral fidgets for sensory seekers, to decrease thumb/finger/knuckle sucking and to decrease oral sensitivities, oral defensiveness and food aversions. The blue and yellow chews are soft and chewy. The orange and turquoise are chewy and resilient, but extra tough and firmer for those who exert more jaw pressure. Use as a sampler pack to assess the suitability of each, or to grade these to gradually build oral strength. Lead-, latex-, PVC-, BPA- and phthalate-free, and are for supervised use under the guidance of a therapist or trained carer. Replace once worn.

R821316

VAT Relief

£ 31.95

Chew Bracelets – Set of 7

Perfect for stimulating the muscles of the mouth. Helps prevent clients from biting on their clothes. Non-toxic, colourful and stretchy.

Size: 6cm diameter

R821892

£ 45.95

Talking Speech Therapy Mirror

A recording and talking device that allows the client to visualize the formation of his/her words. Record a message up to 10 seconds long then the client plays back the message and practices correct form whilst watching him/herself in the break-resistant acrylic mirror. With adjustable volume and on/off switch. Colours may vary. Requires AA batteries.

Size: 30L x 30W x 36cmH

R818371 VAT Relief **£ 189.95**

Display Frame

Easy way to display signage, information, timetables, schedules, menus, cards, posters, photographs and creative artwork. Practical for orientation and sequencing purposes as well as decorative and uplifting. Allows the visual stimulation in a room to be repeatedly and regularly refreshed and updated. Simply slide your information or imagery into the slot and change this as often as required without removing the frame from the wall. Especially effective when used in multiples. To be wall-mounted. White.

R822465 Single A4 Size: 35 x 30cm **£ 13.95**
 R822466 Double A4 Size: 35 x 52cm **£ 19.95**
 R822467 Triple A4 Size: 35 x 76cm **£ 24.95**

Tri Chew

With ridges and bumps to provide sensory input for the lips, gums and tongue and increase oral awareness whilst providing a safe object to bite down upon and chew. Jaw movement and pressure is experienced through the varied textures of the ends, which enable grading for individual need. Soft – may provide comfort for teething tots. Triangular shape is easy to hold. Not recommended for aggressive chewing.

Size: approximately 13 x 14 x 1.5cm

R821028 **£ 7.95**

Oral Motor Skills Kit

Acquiring and developing oral motor movements, strength and control are considered important for speech and for feeding skills. This kit includes a variety of engaging tools to help the therapist to encourage sucking, chewing, oral motor awareness and so on. Contents may vary but typically include blowing musical instruments, feathers, straws, drinking bottle, balloons and chewing resources.

R821326 **£ 109.95**

Menu Book

An essential tool that helps bridge the gap between carers and residents. This easy to understand book helps reduce frustration and misunderstanding by removing language as a barrier, letting the pictures do the talking. Colourful images of commonly eaten dishes provide an effective way of expressing menu choices at a time when communication can often be difficult. Each selection contains pictures of everyday meals, drinks and snacks. By pointing at the dishes on the menu choices are clear, giving people control over their menu selections. This book also includes three wipe-clean boards to write your own messages and menu choices. 21 pages. Ring-bound.

Size: 21 x 15cm

R821408 zero-rated **£ 16.00**

LIFE SKILLS & REHABILITATION

- Scissors
- Exercise Resources
- Activities to Encourage Fine and Gross Motor Skill Development
- Age-appropriate Products to Aid Learning
- Speech and Language Materials
- Practical Activities of Daily Living such as Dressing

Table Top Scissors

A strong, self-opening pair of scissors fixed to a plastic non-slip base for greater stability. Suitable for children and adults who have very limited strength and control or with only one functional hand. Simply push the paper along the base and cut by depressing the large 'T' shaped handle. A hidden spring automatically reopens the scissors ready for the next cut. Useful for those with a weak grip/strength, poor hand control, tremors and/or one-handed users. Includes a zipped transparent storage case.

R813307 VAT Relief £ 24.95

Scissors

The learning of scissor skills plays an important role in the development of manual dexterity which in turn ultimately benefits handwriting, dressing skills and confidence. ROMPA® offers a comprehensive range of scissors, for both left- and right-handed users (blue = right hand; green = left).

Handy Scoopers – Set of 4

A fun way to develop fine motor skills and build the muscles required for cutting with scissors. With easy to grip handles, transparent scoops and a storage tub. The scoops have holes in them to help release the chosen contents e.g. sand.

Size: 15cmL
R821384 £ 16.95

Long-Loop Scissors

A good design which enables the user to use the strength of the whole hand to operate the scissors, rather than finger and thumb only. The extended loop of these scissors allows the middle, ring and little finger to be used, giving increased strength and control for the cutting action, whilst the index finger is placed outside the long loop to provide guidance and additional control. Assists children with weak grip/strength, tremors and/or poor motor control, including those with Dyspraxia.

R813308 Left Hand VAT Relief £ 7.00
R813309 Right Hand VAT Relief £ 7.00

Easi-Grip® Scissors

Suitable for use with left or right hand. Round ended blades fitted with safety blade protectors.

R813316 Right Hand (blue) VAT Relief £ 8.00
R815933 Left Hand (green) VAT Relief £ 8.00

Dual Control Training Scissors

Dual Control Scissors with rounded ends. Left or right hand models available.

VAT Relief £ 4.99

Audible Time Timer

Versatile timer for individual and group applications. Includes base for free standing use. Has an optional audible signal when time has expired. High contrast colours means a quick look suffices to see how much time is left. Perfect for use in 4R environments and for classrooms. Allows user to develop a self-sufficient awareness of time.

Size: 20cm x 20cm

R819444

£ 37.95

Care Sector Book

Developed to help alleviate communication problems, this book helps to bridge the gap between carers and residents. Colourful images of day to day tasks provide an effective way to communicate when language is an issue. Ticks and crosses on the left page of each section enable users to express 'Yes' or 'No' to a question. By pointing discreetly at a picture the user is able to communicate their requirements. This book also includes two wipe clean boards to write your own messages and a wipe clean clock face.

Size: 21 x 15cm. 52 pages. Ring-bound.

R821407 zero-rated

£ 16.95

Folding Multi-Purpose Mirror

Made of special shatterproof acrylic, this foldable mirror encourages independence, self-care and self-awareness. Folds away discretely after use. Designed to help individuals examine the soles of their own feet, such as those with diabetes, but useful for a variety of needs, including speech and language therapy. Perfect for holidays, home use and peripatetic therapists.

Size: folds to just 26.5 x 18.5 x 2cm

Peek A Boo Bear

Activate your switch to make this adorable bear play peek-a-boo. Requires 3 AA batteries and a switch (to be purchased separately). Visual, audible and tactile. Blanket colour and style may vary.

Size: 22L x 16W x 27cmH

R820837

£ 40.00

Switch-Activated Spinner

Encourage people of all ages and differing abilities to enjoy interactive games together. Great for inclusion, this is large scale and accessible. Perfect for those who are unable to hold and throw traditional dice, and for those with visual impairments who cannot see the dots on a standard die face. Either press the red button on the front, or connect and activate your own switch to make the central arrow spin. Use in turn-taking to select random numbers instead of shaking one or two dice. Also excellent for early maths skills – add, subtract or multiply the numbers from both dice together, work out probabilities and use in matching games. Especially valuable in small groups as the spinner can be stood up on a table (using the integral fold-down legs) for everyone to see at once. For the less able, activation helps understanding of choice as well as of cause and effect as well as providing a multi-sensory reward – the spin is audible and produces a pleasant visual effect. Requires 2 AA batteries and a switch (both to be purchased separately). For 3 years and over.

Size: 34 x 34 x 6cmD (16cmD with the legs extended); display 29.5cm diameter; red button 3.4cm diameter

R821413

£ 155.00

Floppy Bunny

Mog

Operate your switch to make Mog walk, move her head and tail and let out a gentle squeak. Momentary operation. Requires 2 AA batteries and a switch (to be purchased separately). Long fibres – not suitable for those who mouth.

Size: 19L x 22H x 10cmW

R820684

£ 24.00

NEW!

Singing Elephant

Activate your first switch to make this gorgeous elephant play peek-a-boo and use a second switch to hear the song "Do Your Ears Hang Low" in a cute child's voice. Latched operation (activate your switch once to start the effect and a second time to stop it). Functions with only one switch connected, but most meaningful if two are used as this encourages listening skills, choice, co-operative play and turn-taking. Audible, visual and tactile, with ears that flap. Requires 3 AA batteries and up to two switches (to be purchased separately). Can also be activated by pressing the feet.

Size: 30L x 29W x 28cmH

R822809

£ 39.95

Switch-Adapted Fibre Optic Lamp

Very visual and appealing to all ages. Momentary operation – whilst your switch is activated, so is the beautiful light. Base lights up, as do the tips of the fibres. Can also be used without a switch. Requires 3 AAA batteries.

Size: base 8.5H x 8cm diameter; overall height 31cm

R820709

£ 25.00

Positive Play... Positively thriving!

POSITIVE PLAY

This unique scheme that helps children through play has developed from a relatively small Derbyshire based scheme into a significant UK wide programme supporting infants to young adults from all kinds of backgrounds, with all kinds of needs. From youngsters struggling with low self-esteem to older children coping with family break down and emotional turmoil, the Positive Play Support Programme has helped hundreds of families.

The facilities at the Centre of Excellence can be replicated in schools and settings wherever the Positive Play Support Programme staff are invited to establish the Programme. To make an appointment for a visit to the Centre or for further information about the Programme please contact Sharon Urben at the Base in Danesmoor, Chesterfield on **01246 862854**

£ 8.95

Animal Bingo

Designed for people in the early and later stages of Dementia, but equally valuable for all ages. Intended to help improve cognitive functions and social participation, this game is fun and inviting. Accessible and inclusive, people of all abilities can play – both by hearing and by sight. For younger players, this can encourage listening and matching skills, as well as concentration. Potentially easier to play than traditional bingo games, this is unique as it includes a large flip book that displays the animal to match the sound from the included CD. Beautifully illustrated and inviting. For up to 12 players. Includes 12 bingo cards, 1 CD, 1 Flip book, 128 counters (in a drawstring bag) and 1 bingo caller card. For 3 years and over (some small parts)

Size: box 26L x 27W x 7cm; counters 3.5cm diameter x 3cmH

R822070 VAT Relief

More available at www.olderadults.co.uk

Magic Cloud

Multi-purpose, with educational, therapeutic and play value. Attach a tag to an object of your choice, then place the object onto the cloud to activate an image, sound (e.g. music, rhymes, spoken words) or video footage on your PC. Brings inanimate objects to life and encourages memory, concentration, object-recognition and association, attention, focus and orientation to task, understanding of cause and effect, learning through play, hand-eye co-ordination, repetition, matching and motor skills. Client-centred, it can be personalised to give meaning to activities. Can be used to grade activities up/down by varying the texture or temperature of objects "tagged" and used on the cloud to support therapeutic sensory sensitivity work or physically (e.g. altering the weight, size, shape) to encourage different grips, grip strengthening, improve muscle strength and so on. Has great reminiscence value if 'tagged' items are tailored to user's past history. Simple to use yet very engaging for a huge range of ages and abilities. A library of media is included and you can easily add your own files. Includes cloud, software CD and 30 'tags' which can be easily attached to your cards, photos and everyday objects.

Size: 32 x 27 x 4cmD

R821160	Magic Cloud	£ 94.95

ELIGIBILITY DECLARATION BY A DISABLED PERSON

Please note there are penalties for making false declarations

Customer

If you are in any doubt as to whether you are eligible to receive goods or services zero-rated for VAT, you should consult www.hmrc.gov.uk before signing the declaration.

I (full name)

of (address)

declare that: I am chronically sick or have a disabling condition by reason of:
(give full and specific description of your condition below)

and that I am receiving from:

ROMPA®, GOYT SIDE ROAD, CHESTERFIELD, S40 2PH

* the following goods which are being supplied to me for domestic or my personal use:

(description of goods)

* the following services to adapt goods to suit my condition:

(description of services and goods)

* the following services of installation, repair or maintenance of goods:

(description of services and goods)

and I claim relief from value added tax.

Signature:

Date:

ELIGIBILITY DECLARATION BY A CHARITY

Please note there are penalties for making false declarations

Customer

If you are in any doubt as to whether you are eligible to receive goods or services zero-rated for VAT, you should consult Notice 701/7 VAT reliefs for disabled people or contact the Customs and Excise National Advice Service on 0845 010 9000 before signing the declaration.

I (full name and status in charity)

of (name and address of charity and registered charity number)

declare that the charity named above is receiving from:

ROMPA®, GOYT SIDE ROAD, CHESTERFIELD, S40 2PH

* the following goods which are to be made available to a disabled person or persons for domestic or their personal use:

Date:

VAT RELIEF

Relief from VAT is only available on certain goods.

Relief is granted subject to all the following conditions:

1. The goods are being purchased by an eligible body, or charity for donation to an eligible body.
2. Supplies to or for donation to an eligible body must be funded entirely from charitable or voluntary contributions.
3. The goods are supplied or made available to persons with a disability.

We must point out however, that many of our products which are of benefit to people with a specific disability may not qualify for relief as they are designed for wider use. That is to say, if the designer of a product did not specifically design the item for disabled people, then it is regarded as a product that has been designed for wider use and as such must be subject to VAT. We are bound by the laws of HM Customs and Excise and have a legal obligation to charge VAT on certain products.

There is no blanket exemption from VAT for disabled persons or charities.

Our products are not classified as medical equipment.

We cannot, therefore, accept declarations requesting exemption in this category.

PLEASE NOTE

1. Prices exclude VAT and are valid until 31 December 2018 unless otherwise indicated. However, prices are subject to change without prior notice. These prices supercede all prices previously published by Rompa®
2. Products which are Zero Rated are indicated with zero rated by the price.
3. Products eligible for Vat Relief have 'VAT Relief' beside the price. Details for eligibility are indicated on the top of this page.
4. Prices are in pounds sterling and exclusive of VAT and handling and delivery charge. VAT will be added to all invoices unless a VAT Relief form is received with the order.
5. A delivery & handling fee is payable on most orders.
6. ROMPA® aims to despatch most orders within 48 hours of date of receipt. However certain products such as those marked may take up to 28 days. ROMPA® aims to give you a high level of customer service. Please read terms and conditions of sale to prevent misunderstandings. Terms and conditions are available from ROMPA® upon request

ORDERING DETAILS

Private Individuals:

Complete the Rompa® order form, this must be accompanied with full payment. Cheques/Postal Orders should be made payable to Rompa® Ltd. Credit/Debit card payments are acceptable if the relevant section of the form is completed.

Official Organisations and Account Holders:

May submit their order using their own official order form, quoting a valid purchase order number. However payment will need to be received in advance unless a credit account has been approved.

For Credit Account holders an invoice will be generated and forwarded to the invoice address on the dispatch of goods and payment will be required within 30 days of invoice date.

Further order forms are available on request.

RETURNS POLICY

As a Consumer, as define by the Consumer Rights Act 2015, you have the right to cancel and return items within 30 days of you receiving your order. Please note that some products are non-returnable and are marked in the catalogue with the  icon. Please contact us for a return authorisation reference. Do not return a product without a return authorisation reference.

Please take extra care when viewing your products as goods must be returned in pristine condition, unused and in their original, undamaged packaging. Where goods are received back in an unsatisfactory condition an amount may be deducted from the refund to reflect the amount by which the value of the product has been reduced. If you are not a Consumer, Rompa reserves the right to apply a 15% re-stocking fee. All postage costs are non-refundable unless the item is faulty. We do not offer a pre-paid return service. We recommend that you return your products on a signed for service - Rompa cannot be held responsible for any missing parcels sent by the customer.

If you have received an incorrect, faulty or damaged product, please contact us on 01246 211777. Damaged products must be reported within 48 hours of receipt and missing items within 7 days from the date on your invoice.

What you will find inside

Snoezelen® Multi-Sensory Products & Environments

As products and environments that stimulate the senses to either calm or engage the people using them reducing agitation.

Soft Play

Soft Play environments are specifically designed for children and adults with additional needs to have fun, explore their physical boundaries and release energy in a safe environment.

Sensory Integration

Sensory Integration is effective in addressing challenges associated with autism, dyspraxia and behavioural difficulties in children and adults.

Calm Rooms / 4R

Designed for demanding environments such as schools with BESD (EBD) students, offenders' institutes and prisons, these custom-made and fully installed facilities offer a safe environment for those with challenging behaviours and aggressive tendencies.

Choice and Control

The ability to choose and control things that affect our everyday life is often taken for granted. Our range includes simple and accessible switches right through to Sensory Magic - our premium solution for creating personalised, immersive and inclusive multi-sensory environments.

Hydrotherapy / Sensory Bathrooms

Water offers a change from the normal environment. It provides pleasure and can have enormous therapeutic value, assisting in relaxation, improving circulation and restoring mobility.

Goyt Side Road, Chesterfield,
Derbyshire, England, S40 2PH
